8) EQUAL BUSINESS OPPORTUNITY (EBO) REQUIREMENTS

Equal Business Opportunity (EBO) Program -

This contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity (“EBO”) Program. It is up to the Respondent to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City’s website at www.memphistn.gov under “Doing Business”. The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises (“M/WBE”) in the City’s purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation is **50%**. The percentage of M/WBE participation is defined as the dollar value of subcontracts awarded to certified minority and/or women business enterprises divided by the total proposed base bid amount.

Participation Plan

The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates to achieve in the performance of contract resulting from this RFQ; (2) the type of work to be performed by the M/WBE participation; and (3) the names of the M/WBEs the Respondent plans to utilize in the performance of the contract resulting from this RFQ.

Good Faith Efforts Documentation

If a Respondent proposes a M/WBE percentage less than the established goal, the Respondent must, at the time of the response, submit a Good Faith Efforts statement accompanied by the appropriate documentation justifying its submitted M/WBE percentage. The ability of the Respondent to perform the work with its own work force will not in itself excuse the Respondent from making good faith efforts to meet participation goals. The determination of whether a Respondent has made a good faith effort will be made by the City’s Director of Business Diversity and Compliance, Director of Finance, and the Purchasing Agent, prior to the award of the project.

Eligible M/WBE Firms

To qualify as a M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must be included on the City’s list of certified M/WBE firms. One or a combination of several M/WBEs may be utilized to meet the established goal of **50%**. A list of the City’s eligible MWBE firms can be found at www.memphistn.gov under “Doing Business with the City”.

(c) In the event that Work delivered under this Agreement constitutes or includes Counterfeit Goods, Seller shall, at its expense, promptly replace such Counterfeit Goods with authentic Goods conforming to the requirements of this Agreement. Notwithstanding any other provision in this Agreement, Seller shall be liable for all costs relating to the removal and replacement of Counterfeit Goods, including without limitation Buyer's costs of removing Counterfeit Goods, of reinserting replacement Goods, and of any testing necessitated by the reinstallation of Goods after Counterfeit Goods have been exchanged. Under no circumstance shall Seller be entitled to anticipatory or lost profits.

SAIC reserves the right to verify claims hereunder and Seller shall make available to SAIC, upon its request, all relevant, non-proprietary books and records for inspection and audit (e.g., time cards and receipts). Seller shall transfer title and deliver to SAIC, in the manner and to the extent requested in writing by SAIC at or after termination, such complete or partially completed articles, property, materials, parts, tools, fixtures, plans, drawings, information and contract rights as Seller has produced or acquired for the performance of the terminated part of this Order and SAIC will pay Seller the contract price for completed articles delivered to and accepted by SAIC and the fair value of the other property of Seller so requested and delivered.

Seller shall continue performance of this Order to the extent not terminated. SAIC shall have no obligation to Seller in respect to the terminated part of this Order except as herein provided. SAIC's rights as set forth herein shall be in addition to any other rights in case of Seller's default.

Seller shall not be liable for damages resulting from default due to causes beyond the Seller's control a with Seller's fault or negligence, provided, however, that if Seller's default is caused by the default of a subcontractor or supplier, at any tier, such default must arise out of causes beyond the control of both Seller and subcontractor or supplier, and without the fault or negligence of either of them and, provided further, the goods and services to be furnished by the subcontractor or supplier were not obtainable from other sources.
