4.5.1.3. With respect to the information contained on Vendor’s CDs or DVDs:

4.5.1.3.1. The folders and/or files should be organized in such a way as to preserve the order and labeling of how such information is presented in Vendor’s printed copy of its proposal;

4.5.1.3.2. Each document (and file name) should clearly show the name of Vendor;

4.5.1.3.3. Each file should be pre-formatted by Vendor to facilitate on-line viewing and printing in a form consistent with Vendor’s printed copy of its proposal;

4.5.1.3.4. All documents should be presented in a native Microsoft office format (e.g., word, excel, PowerPoint, project) or PDF.

4.5.1.3.5. Documents should not include embedded files.

4.5.2 PROPOSAL FORMAT
SAIC expects the Proposal to be a compilation of various documents, in particular because Vendor’s Proposal must utilize the format in Section 3 – Proposal Response. The Proposal should be structured so that there is a primary, “core” document (organized in accordance with Section 3) that incorporates by reference, as applicable, the other documents.

Vendor shall use Microsoft Office 2010 file formats in preparing its Proposal to the maximum extent possible. All pages should be formatted to print on 8 ½” x 11” paper, unless another format is provided by the response template. Vendor responses should be specific, factual, brief and to the point, and should avoid pure sales and marketing content to the extent possible.
4.5.3 PROPOSAL EXPIRATION DATE
Proposals in response to this RFP shall remain valid for nine (9) months from the Proposal due date. SAIC may request an extension of time if needed.

4.6.4 VENDOR DATA
The confidentiality of information and data contained in Vendor’s Proposal shall be subject to and governed by the Open Records Act and any other Public Records laws with which the City is legally obligated to comply (including a Freedom of Information Act Request under “FOIA”).

4.5.5 GENERAL
Subject to questions and clarifications raised on specific issues in accordance with Section 4.4, Vendor shall be deemed, by the submission of its Proposal, to have understood fully the meaning of the overall RFP. Any claims of ambiguity after contract award will not be accepted by SAIC.

4.5.6 GRATUITIES
BY ACKNOWLEDGMENT OF RESPONSE TO THIS RFP, THE OFFEROR HEREBY CERTIFIES THAT NO GRATUITIES WERE OFFERED BY THE SUPPLIER OR SOLICITED BY ANY SAIC EMPLOYEE EITHER DIRECTLY OR INDIRECTLY. ANY SITUATION WHERE A GRATUITY IS SOLICITED SHOULD BE REPORTED IMMEDIATELY TO SAIC'S CHIEF PROCUREMENT OFFICER OR DESIGNEE AT 703-676-6100.

4.5.7 AMBIGUITY, CONFLICT, OR OTHER ERRORS IN THE RFP
If a Vendor discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, it shall immediately notify, in writing by e-mail, SAIC of such error request modification or clarification of the document. The Vendor shall include the RFP number, page number and the applicable paragraph title. SAIC will issue/post any revisions to the RFP on the City's website (www.memphistn.gov). The Vendor is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the Request for Proposals prior to submitting the proposal or any ambiguity, conflict, discrepancy, etc. shall be waived.

4.5.8 ACCEPTANCE/REJECTION OF PROPOSALS
SAIC reserves the right to reject any or all proposals which are not responsive to the specifications of this Request for Proposal (RFP). SAIC shall reject the proposal of any Vendor that is determined to be non-responsive.

4.5.9 FAILED COMPETITION
Competitive negotiation requires that at least two responsive proposals for the same scope of work and service area be received in response to the RFP. A competition is considered failed if only one responsive proposal is received. If a competition has been declared failed, SAIC then has the option to reopen the procurement or enter into a non-competitive procurement.

4.5.10 WITHDRAWING OR AMENDING A PROPOSAL
At any time prior to the scheduled deadline for receipt of proposals, the Vendor may withdraw or amend its proposal by submitting a written request from the authorized representative whose name and signature appears on the proposal. A written request to withdraw or amend the proposal must be submitted to the
individual and address to whom/which the proposal was submitted in accordance with the section above titled "PROPOSAL SUBMISSION AND DUE DATE."

4.5.11 INFORMALITIES/ MINOR IRREGULARITIES

The City reserves the right to waive minor irregularities or informalities in a Vendor’s proposal when SAIC determines that it will be in SAIC’s best interest to do so. Any such waiver shall not modify any remaining RFP specifications or excuse the Vendor from full compliance with the RFP specifications and other contract requirements if the Vendor is awarded the contract.

4.5.12 VENDOR INDEBTED TO THE CITY

No contract will be knowingly awarded to any organization which, in the SAIC’s sole discretion, is in arrears to the City of Memphis upon any debt or contract, or which is a defaulter as surety or otherwise under any obligations to the City of Memphis, or which has failed to perform faithfully on any previous contract with the City of Memphis.

4.5.13 TAX PAYMENTS

The City of Memphis is exempt from federal excise, state and local taxes on all purchases and SAIC will provide a transaction-specific tax exemption certificate, upon request.

4.6. NEGOTIATIONS

SAIC expects to conduct detailed negotiations with each of the selected providers. Details regarding this process will be provided at the appropriate time to Vendor, if it is chosen to be a selected provider, and may include discussions based on any aspect of a proposal.

SAIC intends to have various representatives participate in all negotiations. SAIC encourages a selected provider, as appropriate, to have its legal counsel participate as well. However, SAIC will not be precluded by the absence of down-selected providers’ counsel from having its counsel participate, and selected providers will not be permitted to defer or revisit any matter due to the necessity of consultation with counsel.

4.7. AWARD OF SERVICES

SAIC reserves the right to award the Services to the lowest and best proposer or proposers or to make no such award, in its sole discretion.

A copy of your current Memphis and Shelby County Tennessee Business Tax Receipt must accompany the proposal for consideration of this ordinance.

4.8. **PROTESTS**

Any protest of award must be filed in writing with the City of Memphis Purchasing Agent within five (5) calendar days of the award announcement at the following address: City of Memphis Purchasing Agent, 125 North Main, Room 354, Memphis, Tennessee 38103.

4.9. **MODIFICATION OR TERMINATION OF RFP PROCESS**

SAIC reserves the right to, in its sole discretion, discontinue, amend, supplement, or otherwise change this RFP, the Initiative, the process used for evaluation, and the expected timeline at any time and for any reason, and makes no commitments, implied or otherwise, that this process will result in a business transaction with any provider.

4.10. **SUPPLEMENTAL INFORMATION**

If, subsequent to issuance of this RFP, additional relevant material is produced by or becomes available to SAIC, such material will (where appropriate) be transmitted to all RFP participants for their consideration. SAIC will make modifications by issuing a written addendum, which will be posted on the City's website. Any revisions to the solicitation will be made only by an addendum issued by SAIC. It is the responsibility of the Vendor to check the website for possible addenda and should consider such information in its Proposal. SAIC will assume that all changes or additional requirements transmitted have been taken into account in Vendor’s Proposal (including with respect to pricing), unless otherwise specified.

4.11. **NO REPRESENTATIONS OR WARRANTIES**

SAIC makes no representations or warranties regarding the accuracy or completeness of the information contained in this RFP or otherwise provided by SAIC through the RFP process. Vendor is responsible for making its own evaluation of information and data contained in this RFP or otherwise provided by SAIC, and for preparing and submitting responses to the RFP.

SAIC has attempted to validate the information provided in this RFP, but it is possible that Vendor may detect inconsistencies or potential errors. While Vendor should identify these potential issues in its questions or in an appendix to its Proposal, Vendor should use the information provided on an “as-is” basis for its initial Proposal. Information regarding the City and the project or initiative described in this RFP may be revised or updated, and republished for inclusion in a final response.

4.12. **PROPOSAL PREPARATION COSTS**

Vendor will be responsible for all costs it incurs in connection with this RFP process (including but not limited to Proposal preparation, personnel time, travel-related costs, and other expenses) and any subsequent agreement negotiations. Costs chargeable to the proposed contract shall not be incurred before receipt of a fully executed contract.

5. **QUALIFYING PROPOSALS**

5.1. **QUALIFYING PROPOSALS**

SAIC will review each submitted Proposal to determine whether it is a Qualifying Proposal. A Qualifying Proposal is one that meets all of the criteria set forth in Section 3. All Proposals that **ARE NOT** a Qualifying Proposal will be disqualified from this RFP process.

5.2. **EVALUATION OF QUALIFYING PROPOSALS**
To the extent permitted by law, all proposals submitted in response to this RFP shall be kept confidential until the proposals have been evaluated and the intent to award is announced. Until the intent to award is announced, no information regarding any proposal will be released to anyone, except members of the Evaluation Committee who are responsible for evaluating the proposals and other appropriate SAIC or City of Memphis staff. The Additional Insured coverages above shall be primary and non-contributing with respect to any other insurance that may be maintained by SAIC and notwithstanding any provision contained herein, the Seller, and its employees, agents, representatives, consultants, subcontractors and suppliers, are not insured by SAIC, and are not covered under any policy of insurance that SAIC has obtained or has in place.

Any self-insured retentions, deductibles and exclusions in coverage in the policies required under this Article shall be assumed by, for the account of, and at the sole risk of Seller. In no event shall the liability of Seller or any subcontractors be limited to the extent of any of insurance or the minimum limits required herein.
Prior to commencement of any work, and within 15 days of any policy renewal that occurs while any work is on-going under this Subcontract, Seller shall provide SAIC evidence of the insurance coverage required above, including evidence of additional insured status and waivers of subrogation where required. Failure of Buyer to demand such evidence or to identify any deficiency in the insurance provided shall not be construed as or deemed to be a waiver of Seller’s, or its subcontractors’, obligations to maintain the above insurance coverages.

9.0 SAIC FURNISHED ITEMS AND INTELLECTUAL PROPERTY

(a) All items furnished, loaned or bailed by SAIC to Seller hereunder, or purchased, or otherwise acquired by Seller for the performance of and specifically charged to SAIC under this Subcontract (collectively, the “Items”), are the property of SAIC (or, as directed by SAIC pursuant to the terms of its prime contract, its Customer). Upon completion, expiration or termination of this Subcontract, Seller shall return all Items in good condition (reasonable wear only accepted) together with all spoiled and surplus Items to SAIC. In lieu of the return of Items to SAIC, Seller shall make such other disposition of all Items as directed in writing by SAIC. Seller agrees to replace, at its expense, all such Items not returned in accordance with this Section or returned in other than good condition. Seller shall not charge SAIC for any storage, maintenance or return of any Items. Seller shall bear all risk of loss for all Items in Seller's possession or for which Seller is responsible. Seller also agrees to use designs, data or other things contained or embodied in Items provided to or utilized under this Subcontract in accordance with any restrictive legends placed on such Items by SAIC or any third party. If SAIC furnishes any material (including but not limited to any computer software or other data) for fabrication pursuant to this Subcontract, Seller agrees: (i) not to substitute any other material for such fabrication without SAIC’s prior written consent and (ii) that title to such material shall not be affected by incorporation in or attachment to any other property.

(b) To the extent that Seller provides any commercial items (including commercial computer software) under this Agreement, the Parties agree that any normal commercial terms governing such commercial items shall govern the use of such commercial items, except to the extent that such normal commercial terms shall conflict or be inconsistent with terms of this Subcontract. In the case of any conflict or inconsistency, the applicable terms of this Subcontract shall take precedence over any conflicting or inconsistent commercial term.

(c) The Parties agree that all provisions of the prime contract between SAIC and its Customer regarding intellectual property rights shall be incorporated into this Subcontract with the same force and effect as if they were written in full text herein and shall govern the performance of this Subcontract. To the extent that any conflict exists between the intellectual property provisions of the prime contract between SAIC and its Customer and any normal commercial terms governing commercial items provided by Seller, the intellectual property provisions of the prime contract shall govern.

(d) To the extent applicable, the Parties shall apply the intellectual property provisions of the prime contract between SAIC and its Customer in a manner that reflects Seller’s position as a subcontractor to SAIC. Seller shall grant to SAIC such intellectual property rights necessary for SAIC to perform its contractual obligations to Seller.

10.0 DISCLOSURE

During the term of this Subcontract and for a period of five (5) years after the completion of the last task order issued hereunder, Seller shall not disclose information concerning work under this Subcontract to any third party, unless such disclosure is required by law or necessary for the performance of this Subcontract. No news releases, public announcement, denial or confirmation of any part of the subject matter of this Subcontract or any phase of any program hereunder shall be made without prior written consent of SAIC which shall not be unreasonably withheld.

11.0 COMPLIANCE WITH LAW
Seller agrees to comply with the applicable provisions of any federal, state or local law or ordinance and all orders, rules and regulations issued there under.

By signing this Agreement, Supplier represents that it is not presently listed by any federal agency as debarred, suspended, or proposed for debarment from any federal contract activity. If, during the term of this Agreement, this information changes, Supplier shall notify SAIC without delay. Such notice shall contain all relevant particulars of any debarment, suspension, or proposed debarment.

12.0 COUNTERFEIT PRODUCTS

(a) For purposes of this clause, Goods are any tangible items delivered under this Agreement, including without limitation the lowest level of separately identifiable items, such as parts, articles, components, and assemblies. "Counterfeit Goods" are Goods that are or contain items misrepresented as having been designed, produced, and/or sold by an authorized manufacturer and seller, including without limitation unauthorized copies, replicas, or substitutes. The term also includes authorized Goods that have reached a design life limit or have been damaged beyond possible repair, but are altered and misrepresented as acceptable.

(b) Seller agrees and shall ensure that Counterfeit Goods are not delivered to Buyer. Goods delivered to Buyer or incorporated into other Goods and delivered to Buyer shall be new and shall be procured directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by Buyer. When requested by Buyer, Seller shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

(c) In the event that Work delivered under this Agreement constitutes or includes Counterfeit Goods, Seller shall, at its expense, promptly replace such Counterfeit Goods with authentic Goods conforming to the requirements of this Agreement. Notwithstanding any other provision in this Agreement, Seller shall be liable for all costs relating to the removal and replacement of Counterfeit Goods, including without limitation Buyer’s costs of removing Counterfeit Goods, of reinstalling replacement Goods, and of any testing necessitated by the reinstallation of Goods after Counterfeit Goods have been exchanged. Seller shall include equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Goods to Buyer.

13.0 EXPORT CONTROL COMPLIANCE

Seller shall comply with all applicable U.S. export laws and regulations, including International Traffic in Arms Regulations ("ITAR") and the Export Administration Regulations ("EAR"). The subject technology of this Subcontract (including data, services, software and hardware provided hereunder, defined as “Controlled Technology”) may be controlled under these laws and regulations and may not be exported or re-exported without prior authorization in accordance with ITAR and EAR. Access to Controlled Technology by Foreign Persons as defined by 22CFR120.16 may require an export authorization. SELLER shall have full responsibility for obtaining any export licenses or authorization required to fulfill its obligations under this Subcontract.

Supplier hereby certifies that all Supplier employees who have access to the Controlled Technology are U.S. citizens, have permanent U.S. residency or have been granted political asylum or refugee status in accordance with 8 U.S.C. 1324b(a)(3).

14.0 ORGANIZATIONAL CONFLICT OF INTEREST

Seller represents and warrants that its performance of this Subcontract does not constitute and will not create an organizational conflict of interest (OCI) that would impair its ability to provide impartial services to SAIC and its customer.
If during the course of performance, Seller becomes aware of any actual or potential organizational conflict of interest caused by its performance of this Subcontract, Seller shall promptly notify SAIC in writing of the nature of such actual or potential organizational conflict of interest.

15.0 CHANGES

SAIC may at any time, by written order, make changes within the general scope of this Subcontract in any one or more of the following:

i) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured under this Subcontract in accordance with the drawings, designs, or specifications.

ii) Method of shipment or packing.

iii) Place of delivery.

If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Subcontract, whether or not changed by the order, SAIC shall make an equitable adjustment in the Subcontract price, the delivery schedule, or both, and shall modify this Subcontract or the applicable Task Order.

Seller shall assert its right to an adjustment under this clause within 20 days from the date of receipt of the written order.

Failure to agree to any adjustment will be a dispute under the Disputes clause of this Subcontract, provided, however, that nothing in this clause excuses the Seller from proceeding with the work as changed without interruption and without awaiting settlement of any such dispute.

16.0 TERMINATION FOR CONVENIENCE

SAIC shall have the right to terminate this Subcontract or any order issued hereunder, in whole or in part, at any time, without cause, by providing written notice to Seller. Upon receiving notice of such termination, Seller shall

(a) stop all work on this Order on the date and to the extent specified;
(b) place no further contracts hereunder except as may be necessary for completing such portions of the Order as have not been terminated;
(c) terminate all contracts to the extent that they may relate to portions of the Order that have been terminated; and
(d) protect all property in which SAIC has or may acquire an interest and deliver such property to SAIC.

Within twenty (20) days from such termination, Seller may submit to SAIC its written claim for termination charges in the form prescribed by SAIC. Failure to submit such claim within such time shall constitute a waiver of all claims and a release of all SAIC's liability arising out of such termination. Under no circumstance shall Seller be entitled to anticipatory or lost profits.

SAIC reserves the right to verify claims hereunder and Seller shall make available to SAIC, upon its request, all relevant, non-proprietary books and records for inspection and audit (e.g., time cards and receipts). If Seller fails to afford SAIC its rights hereunder, Seller shall be deemed to have relinquished its claim.

16.1 TERMINATION FOR DEFAULT

SAIC may, by written notice of default to Seller, terminate the whole or any part of this Order in any one of the following circumstances:
(a) Seller fails to make delivery of the goods or perform services within the time specified herein or any extension thereof; or
(b) Seller fails to perform any of the other provisions of this Order or so fails to make progress as to endanger performance of this Order in accordance with its terms, and does not cure such failure within a period of ten (10) days after receipt of notice from SAIC specifying such failure; or
(c) Seller becomes insolvent or the subject of proceedings under any law relating to the relief of debtors or admits in writing its inability to pay its debts as they become due.

If this Order is so terminated, SAIC may procure or otherwise obtain, upon such terms and in such manner as SAIC may deem appropriate, goods or services similar to those terminated. Seller shall be liable to SAIC for any excess costs of such similar goods or services.

Seller shall transfer title and deliver to SAIC, in the manner and to the extent requested in writing by SAIC at or after termination, such complete or partially completed articles, property, materials, parts, tools, fixtures, plans, drawings, information and contract rights as Seller has produced or acquired for the performance of the terminated part of this Order and SAIC will pay Seller the contract price for completed articles delivered to and accepted by SAIC and the fair value of the other property of Seller so requested and delivered.

Seller shall continue performance of this Order to the extent not terminated. SAIC shall have no obligation to Seller in respect to the terminated part of this Order except as herein provided. SAIC’s rights as set forth herein shall be in addition to any other rights in case of Seller’s default.

Seller shall not be liable for damages resulting from default due to causes beyond the Seller’s control a with Seller’s fault or negligence, provided, however, that if Seller’s default is caused by the default of a subcontractor or supplier, at any tier, such default must arise out of causes beyond the control of both Seller and subcontractor or supplier, and without the fault or negligence of either of them and, provided further, the goods and services to be furnished by the subcontractor or supplier were not obtainable from other sources.

17.0 GOVERNING LAW

This Subcontract shall be governed by and construed in accordance with the State of Tennessee.

18.0 DISPUTES

SAIC and Seller agree to enter into negotiations to resolve any dispute arising under or relating to this Subcontract. Both parties agree to negotiate in good faith to attempt to reach a mutually agreeable settlement within a reasonable amount of time. If negotiations are unsuccessful, either party may initiate litigation in a court of competent jurisdiction within the State of Tennessee.

The Parties hereby submit and consent to the exclusive jurisdiction of any state or federal court located within Shelby County or the United States Western District of Federal Court within the State of Tennessee and irrevocably agree that all actions or proceedings relating to this Agreement will be litigated in such courts and each of the Parties waives any objection which it may have based on improper venue or forum non conveniens to the conduct of any such action or proceeding in such court

19.0 SUBCONTRACT AND ORDER CLOSEOUT
Seller agrees to submit with its final invoice the attached Closeout Package. Seller shall submit a FINAL invoice bearing the statement, “FINAL INVOICE” as required by the Subcontract Closeout Package. SAIC may unilaterally close-out this subcontract if the Seller fails to submit the close-out documentation within the specified time period.

20.0 ASSIGNMENTS AND SUBCONTRACTS

For the purposes of this article, “Subcontract” means any contract, agreement or purchase order entered into by SAIC and any supplier, distributor, vendor, or firm that furnishes supplies or services to or for SAIC to furnish supplies or services in support of an SAIC contract. This Agreement may not be assigned, novated or otherwise transferred by operation of law or otherwise by Seller without prior written consent from SAIC, which consent shall not be unreasonably withheld, provided, however, that SAIC may deny consent where it is in SAIC’s best interest to do so. Except to the extent identified in Seller’s proposal, Seller agrees to obtain SAIC’s written approval before subcontracting a portion of this order. Seller shall notify the Buyer’s Contractual POC in writing if the Seller changes the amount of a lower-tier subcontract effort after award such that it exceeds 70 percent of the total cost of work to be performed by Seller under the Agreement. The notification shall identify the revised percentage of Seller’s effort and shall include verification that the Seller will provide added value as related to the work to be performed by the lower-tier subcontractor(s).

21.0 GENERAL RELATIONSHIP

SAIC shall be solely responsible for all liaison and coordination with SAIC’s customer as it affects the applicable prime contract and this Subcontract. Seller’s communications with SAIC’s customer shall be limited to those necessary for the Seller’s performance under this Subcontract. Any other communications between Seller and SAIC’s customer requires the prior written approval of SAIC.

SAIC shall be an independent contractor in all respects with regard to this Subcontract. Nothing contained in this Subcontract shall be deemed or construed to create a partnership, joint venture, agency, or other relationship other than that of contractor and customer.

22.0 NON-WAIVER OF RIGHTS

The failure of either party to insist upon strict performance of any of the terms and conditions in the Subcontract, or to exercise any rights or remedies, shall not be construed as a waiver of its rights to assert any of the same or to rely on any such terms or conditions at any time thereafter. The invalidity in whole or in part of any term or condition of this Subcontract shall not affect the validity of other parts hereof.

23.0 STANDARDS OF BUSINESS ETHICS & CONDUCT

SAIC is committed to conducting its business fairly, impartially and in an ethical and proper manner. These characteristics make it imperative that SAIC employees adhere to a particularly high ethical standard in accordance with SAIC’s Code of Conduct, which may be viewed at www.saic.com under Corporate Governance. SAIC’s expectation is that Seller also will conduct its business fairly, impartially and in an ethical and proper manner, consistent with the principles of the SAIC Code of Conduct. In addition, SAIC strongly encourages that Seller have proactive and meaningful ethics and compliance programs established within your organization. SAIC expects the Seller to understand, foster, and mirror the ethical conduct expected from our employees in all business transactions. If Seller has cause to believe that SAIC or any employee or agent of SAIC has acted improperly or unethically under this agreement/order,
23.1 NOTICE TO SAIC SUBCONTRACTORS REGARDING MONITOR

As part of the CityTime settlement reached with the United States Attorney’s Office for the Southern District of New York (“U.S. Attorney’s Office”), SAIC entered into a deferred prosecution agreement (the “Agreement”) and agreed to retain an independent monitor, Contractor Integrity Solutions (CIS), for three years, from August 1, 2012. After SAIC entered into the Agreement, SAIC separated into two independent public companies, with the spin-off entity retaining the SAIC name. While SAIC is no longer bound by the DPA following the separation, it has agreed to assume certain obligations under the DPA, including those involving its subcontractors. As such, SAIC requests that you provide this information to those applicable employees and agents within ten days of the execution of this Subcontract.

CIS will review SAIC’s Ethics and Compliance program, procurement and subcontracting policies and practices, treatment of whistleblowers and their complaints, and conduct of non-federal government contracting. CIS will take appropriate steps to maintain the confidentiality of any non-public information.

Further, any subcontractor employee or agent that becomes aware of any potential violation of law or any potential unethical conduct related in any way to their subcontract with SAIC, is obligated to report such conduct to SAIC at the same toll-free number above, or to CIS. No subcontractor employee or agent will be penalized in any way for contacting the monitor. These notice obligations do not relieve any individual from abiding by the individual ethics policies established by their company, or regulatory obligations under the FAR or other applicable statutes.

As between the Parties hereto, the provisions of this Paragraph 4 shall supersede the provisions of any inconsistent legend that may be affixed to said data by the disclosing Party, and the inconsistent provisions of any such legend shall be without any force or effect.

Any protected information provided by one Party to the other shall be used only in furtherance of the purposes described in this Agreement, and shall be, upon request at any time, returned to the disclosing Party. If either Party loses or makes unauthorized disclosure of the other Party’s protected information, it shall notify such other Party immediately and take all steps reasonable and necessary to retrieve the lost or improperly disclosed information.

6) Neither Party shall be liable for the inadvertent or accidental disclosure of Proprietary Information if such disclosure occurs despite the exercise of the same degree of care as such Party normally takes to preserve its own such data or information.

7) In providing any information hereunder, each disclosing Party makes no representations, either express or implied, as to the information’s adequacy, sufficiency, or freedom from defect of any kind, including freedom from any patent infringement that may result from the use of such information, nor shall either Party incur any liability or obligation whatsoever by reason of such information, except as provided under Paragraph 4, hereof.

9) This Non-Disclosure Agreement contains the entire agreement relative to the protection of information to be exchanged hereunder, and supersedes all prior or contemporaneous oral or written understandings and agreements regarding this issue. This Non-Disclosure Agreement shall not be modified or amended, except in a written instrument executed by the Parties.
10) Nothing contained in this Non-Disclosure Agreement shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the inventions, patents, technical data, computer software, or software documentation of the other Party.

11) Nothing contained in this Non-Disclosure Agreement shall grant to either Party the right to make commitments of any kind for or on behalf of any other Party without the prior written consent of that other Party.

12) Exports of data exchanged under the Agreement may be subject to the export laws of the United States including, but not limited to, the U.S. International Traffic in Arms Regulations (ITAR) and the Export Administration Regulations (EAR). The Parties shall not export, disclose or transfer any such data directly or indirectly without compliance with these and any other applicable laws and regulations.

13) This Agreement may not be assigned or otherwise transferred by either Party without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Any other purported assignment, novation or transfer by one Party not in accordance with this provision shall be a material breach of this Agreement. This Agreement shall benefit and be binding upon the authorized successors and assigns of the Parties.

14) The effective date of this Non-Disclosure Agreement shall be the date stipulated at the beginning of this Agreement.

15) This Non-Disclosure Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Virginia.
