

ENTER NOW

Calling all kids in grades K-8!
Join the fun and enter Memphis City Beautiful's
Waste in Place Contest!

Prizes include special invitations to our Eco Show May 19 featuring Jabberblabber, Johnny Magic, Quick Draw – and a chance to see some live animals that you may not know live in your own habitat! The most creative submissions have a chance to win Best in Show or the Mayor's Award of Excellence.

Get creative with words, music or pictures to show your love for our environment.
You won't win if you don't enter!

GRADES K-8

2016
WASTE
IN
PLACE
CONTEST AND
ECO SHOW!

**THE DEADLINE IS MAY 9
AT 5:00 P.M.**

Memphis City Beautiful's

WASTE IN PLACE CONTEST AND ECO SHOW

LET YOUR IMAGINATION RUN WILD!

Show the world how much you care for it. Express yourself about your environment – your school, your home, your neighborhood or your city.

TO ENTER, PICK ONE OF THESE THEMES:

Litter Prevention

Beautification

Recycling

THEN CHOOSE ONE OF THESE CATEGORIES:

LITTER-FREE LANDSCAPES

- Create a poster using paints, pens or pencils. Take your design to the next level by using actual pieces of trash on the poster and turning them into something beautiful – the sky is the limit – as long as the poster is no smaller than 8½" x 11" and no larger than 12"x18".

WORKS OF LITTER-ATURE

- Grades 4 – 8 only. Craft an essay no longer than the front and back of one 8½" x 11" piece of paper using one of the three themes above as your inspiration. You can write about a personal story, current events or something completely out of this world – the choice is yours!

WRAP SONG

- Are you good at rhythm and rhyme? Write a song (either a melody or a rap). Send along a typed copy of the lyrics and a CD or USB drive with your recording. If you win Best in Category, you will get to perform your song at the Eco Show!

FLOWER POWER/TRASH-ZILLA

- Draw, paint or sculpt your favorite flower or imaginary trash creature. Let your imagination run wild and craft something terrific!

TRASHION SHOW

- Create wearable art. Show us your trashion sense with anything from a hat to jewelry to a dress, as long as it is created from at least 75% recycled or repurposed material. Winners get to model their creations on-stage at the Eco Show!

The deadline is May 9 at 5:00 p.m. Attach the official entry form to your entry and bring it to the UMPD Satellite Station (formerly the Highland Branch Library) at 460 S. Highland (38111).
