Pediatric Trauma Symposium

Friday, September 18, 2015

The Urban Child Institute • 600 Jefferson Avenue, # 200
Memphis, Tennessee 38105

Course Description

This seminar has been designed to provide the health care practitioner with up-to-date clinical information of management of injured patients in the pediatric population. A faculty of an ACS certified Pediatric Level I Trauma Center will address relevant issues and provide valuable information and insight on current issues across the continuum of trauma care.

Target Audience

This course is designed for all levels of providers including emergency room physicians, ICU physicians, first responders, EMS, nurses and other professionals involved in treating injured children.

Course Director:

Alexander Feliz, M.D., FAAP

Assistant Professor of Surgery and Pediatrics, Director, Surgical Critical Care, Associate Medical Director, Trauma Services, Director, Minimally Invasive Surgery Fellowship, University of Tennessee Health Science Center; Le Bonheur Children's Hospital

Keynote Speaker:

Robert Maxson, M.D.

Professor of Surgery, University of Arkansas for Medical Sciences; Medical Director, Trauma and Medical Director, Burn Services Arkansas Children's Hospital

Faculty Disclosure

As a provider accredited by ACCME, Methodist Le Bonheur Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

Objectives

Upon completion of this course, the participant should be able to:

- Recognize difficult airways and how to address them
- Review management strategies of burns
- Recognize the need for pain management in the injured pediatric patient
- Describe the methods of initial assessment of an injured pediatric patient
- Review the components of a trauma system and describe how they all work together
- Describe the treatment management of a patient with a brain injury

Accreditation

Methodist Le Bonheur Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Methodist Le Bonheur Healthcare is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Credit

Methodist Le Bonheur Healthcare designates this live activity for a maximum of 7 AMA PRA Category 1 Credits.[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity will provide 7 contact hours.

This continuing education activity is approved by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS).

Friday, September 18, 2015
