## AHA PEARS Course

**(Pediatric Emergency, Assessment, Recognition, and Stabilization)**

**PEARS is for healthcare providers such as EMTs**

**No pretest required**

**Content presented in PEARS includes:**

- **Pediatric assessment**
- **Recognition and management of respiratory problems**
- **Recognition and management of shock**
- **Recognition and management of cardiac arrest**
- **Resuscitation team concept**
- **This classroom, video-based, Instructor-led course helps healthcare providers develop the knowledge and skills needed for emergency evaluation and initial stabilization of seriously ill infants and children. PEARS teaches students how to recognize respiratory distress, shock and cardiac arrest and provide appropriate lifesaving interventions within the initial minutes of response until the child is transferred to an advanced life support provider. It also emphasizes the resuscitation team concept.**

**Course date is  
Jan 15<sup>th</sup>, 2015**

**Register with [kstewart@meri.org](mailto:kstewart@meri.org)  
or call 901-674-4560**
