- iii) Place of delivery.

If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Subcontract, whether or not changed by the order, SAIC shall make an equitable adjustment in the Subcontract price, the delivery schedule, or both, and shall modify this Subcontract or the applicable Task Order.

Seller shall assert its right to an adjustment under this clause within 20 days from the date of receipt of the written order.

Failure to agree to any adjustment will be a dispute under the Disputes clause of this Subcontract, provided, however, that nothing in this clause excuses the Seller from proceeding with the work as changed without interruption and without awaiting settlement of any such dispute.

16.0 TERMINATION FOR CONVENIENCE

SAIC shall have the right to terminate this Subcontract or any order issued hereunder, in whole or in part, at any time, without cause, by providing written notice to Seller. Upon receiving notice of such termination, Seller shall

Within twenty (20) days from such termination, Seller may submit to SAIC its written claim for termination charges in the form prescribed by SAIC. Failure to submit such claim within such time shall constitute a waiver of all claims and a release of all SAIC's liability arising out of such termination. Under no circumstance shall Seller be entitled to anticipatory or lost profits.

SAIC reserves the right to verify claims hereunder and Seller shall make available to SAIC, upon its request, all relevant, non-proprietary books and records for inspection and audit (e.g., time cards and receipts). If Seller fails to afford SAIC its rights hereunder, Seller shall be deemed to have relinquished its claim.

16.1 TERMINATION FOR DEFAULT
