

# RFP #27912

## Access Control and Camera Surveillance System

### Addendum #8

#### **Specifications Clarification**

There were several questions dealing with Monitoring. MPD will handle the security monitoring of both the video and access control platforms however the bidder should include “health monitoring” in their bid. MPD is looking for health monitoring of both the video and access control systems. Things to be included but not limited to are email notifications and remote diagnostics of system issues from the vendor.

Please add this wording in the spec. “Video and access control must be integrated to work together and be an Avigilon system”. This is a must or we will not be able to tie to the two systems together.

Garage, apron and roof top cameras are included in the spec but not listed in the drawings. There are no cables run to any of these camera locations. Please include in your pricing the cost for both – if you (the vendor) installs the cabling, and pricing if the cable is installed by the building contractor. Please modify the pricing sheet as needed.

Elevator access is mentioned in the bid but no details are given. Elevator access should be controlled by a “per floor” schedule in the Avigilon system.

The Avigilon controller (ACM) should be an Enterprise Appliance Manager capable of controlling all doors in the building. Licenses to be added: LDAP, SQL, Oracle and Badging. It will be located in the main garage level MDF.

Changes in the Legend on diagrams: All references to Bio Readers should be removed on all drawing legends. All references to Keypads should be replaced with “Proximity Readers”

There is still a bio reader shown on the 12<sup>th</sup> floor in front of the Director's office. It needs to be changed to a proximity reader.

If the vendor is requesting door schedules they will have to get that info from the contractor since it has already been installed.

Pricing should include vendor's rates for service calls, after hour service calls, emergency calls, and required response times for an incident. Please modify pricing sheet as needed.

## CAMERA LOCATIONS

Qty	Location	Model Number
24	Stairwells	2.0C-H4A-D1
4	Elevators	2.0-H3M-DO1
8	Parking Garage	3.0C-H4A-DO1-IR or 3.0C-H4A-DP1-IR
4	Ground Floor Outside Perimeter	12W-H3-4MH-DP1 (Corner Mount)
4	Roof Top PTZ	2.0C-H3PTZ-DP20 (Parapet Wall Mount)
11	Elevator Lobbies	2.0C-H4A-D1

### GARAGE LEVEL

Qty	Location	Model Number
8	Corridors	2.0C-H4A-D1

### 1<sup>ST</sup> FLOOR

Qty	Location	Model Number
4	Public & Employee Entrance	3.0C-H4A-D1

**2<sup>nd</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
2	SOR TV Waiting RM	2.0-H3M-DO1
2	SOR Lobby	2.0-H3M-DO1
2	Interview RM	2.0-H3M-DO1
4	Corridors	2.0C-H4A-D1

**3<sup>rd</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
4	Corridors	2.0C-H4A-D1

**4<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
4	Corridors	2.0C-H4A-D1

**5<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
4	Corridors	2.0C-H4A-D1

**6<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
4	Corridors	2.0C-H4A-D1

**7<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
4	Corridors	2.0C-H4A-D1
1	Document Review RM	2.0-H3M-DO1
1	Waiting RM	2.0-H3M-DO1
2	Lobby	2.0-H3M-DO1

**8<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
6	Bench Area & Interview RM	2.0-H3M-DO1
6	Corridors	2.0C-H4A-D1

**9<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
3	Bench Area & Interview RM	2.0-H3M-DO1
6	Corridors	2.0C-H4A-D1

**10<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
6	Bench Area & Interview RM	2.0-H3M-DO1
3	Corridors	2.0C-H4A-D1
1	Lobby	2.0-H3M-DO1

**11<sup>th</sup> FLOOR**

<b>Qty</b>	<b>Location</b>	<b>Model Number</b>
