**Professional Resources – Repost - GIS Systems Administrator**  
**RFQ # SAIC CoM 2014 – RG R100972**  
**Answers to Questions**

	<u>RFQ Section</u>	QUESTION	Response
1.	Attachment 2	In sec A If the vendor is a certified firm, Is sec B is not applicable. Y/N I sense it as N/A.	Section A should be completed if vendor is a certified firm and which type they are MBE or WBE. Section B needs to identify the certified firm that will be used and to what extent.
2.	Good Faith Effort Documentation Form	Said Bidder did or did not attend the Q is NOT applicable . Am I right . Said bidder did or did not Select economically feasible portions .  Since we are not employing anyone in this bid ... the answer is N/A. Clarify	There was not a project pre-bid meeting so answer would be “did not” or n/a. Said bidder “did” or “did not” select economically feasible portions of the work performed by M/WBE firm would be “did” if another contractor was engaged or “did not” if no other contractors were engaged.
3.	Attachment 3	Under intro . the subcontract is effective ..... How can I put the date when the bid is not finalized Page 19 Labor category GIS analyst Labor rate \$X Labor hours ... Is SAIC going to fill up so also extended amount  Other direct costs . ???	Contract language will be filled out at time of award with successful vendor.
