PARTNERSHIP TO PROMOTE PET ADOPTION

Memphis Animal Services and the Pink Palace Family of Museums are teaming up to promote pet adoption for the month of February.

Memphis, TN – Memphis is a vibrant and unique community. Nothing is more original to the City of Memphis than the Pink Palace Family of Museums. The Pink Palace Family of Museums inspires people to learn how history, science, technology and nature shape the Mid-South. Through rich collections, thought provoking exhibitions and engaging programs, we encourage our diverse community to reflect on the past, understand the present and influence the future. This commitment to our great city blends perfectly with Memphis Animal Services' commitment to the animals we share our community with.

To help promote responsible pet ownership and adoption, everyone who adopts from Memphis Animal Shelter in the month of February will receive two (2) tickets for the Pink Palace Family of Museums. The tickets are good for one of the following;

In 2010 we adopted/placed more than 1,850 animals. We think we can do better, but we need your help. More than 15,000 dogs and cats arrive at the Memphis Animal Shelter each year just waiting to provide you with companionship. For the low adoption fee of \$75.00 for dogs and \$70.00 for cats your new pet will receive basic vaccinations, rabies shots and tags, spay/neuter procedure, a microchip and a physical examination by a licensed veterinarian. You receive unconditional love and the piece of mind knowing you saved a life

Memphis Animal Shelter is open Wednesday, Friday and Saturday from 10:00 AM until 5:00 PM and on Tuesday and Thursdays from 10:00 AM until 7:00 PM. The Memphis Animal Shelter is located 3456 Tchulahoma Road near the Memphis International Airport. More information about Memphis Animal Services is available at www.memphistn.gov.

Please help save a life as we strive towards our goal of molding Memphis into the most animal friendly city in the South.
