

Volunteer Opportunities

Visitor Assistant

Greeting and directing visitors is vital! The visitor assistant will greet and assist customers as they enter the shelter. Are they looking for their own lost pet? Do they want to adopt a new furry family member? Help them find their way around the shelter.

Adoption Assistant

The adoption assistant will assist with adoption procedures, interview prospective adopters, and review adoption application, provide feedback about potential adopters to shelter staff, and distribute pet health and care information.

Lost and Found Assistant

The lost and found assistant will assist in reuniting lost animals with their families by reviewing lost reports and newspaper ads, maintaining lost and found records, and comparing lost reports with animals in the lost/ stray areas.

Grooming Assistant

The grooming assistant will assist with the bathing and grooming of adoptable dogs for presentation to the public.

Dog or Cat Socializer

The dog or cat socializer will work with the adoptable dogs or cats to enhance their transition from a shelter environment to a forever home.

Website Assistant

The website assistant will assist with various duties in order to list animals for adoption, keep website updated with photographs and pertinent information, input data and print records that volunteers use daily, and assist with the photographing of animals.
