

Please review the following guidelines, complete form, and return to address provided.

- Homes serviced by the City of Memphis Solid Waste Management and City contractors may lease additional garbage carts for \$5.00 each per month.
- The cart lease will become effective the date the cart is delivered and the \$5.00 fee will be added to the \$22.80 monthly solid waste fee on the next utility bill.
- Leased carts are not transferable to another address without City approval.
- Regular City carts and leased carts are City property and are subject to replacement, repair or alteration at the City's discretion.
- Residents are responsible for care and custody of their City issued cart and lease cart(s).
- To report a missing cart, contact the call center by dialing 311.
- The City will attempt to locate and return the cart, if missing. If not found, the cart will be replaced at no cost to the lessee.
- No credits or refunds will be issued for missing regular or leased carts.
- Applicants may discontinue their cart lease by contacting Solid Waste Management and the \$5.00 monthly fee will be removed only when the cart is returned to the City.
- Failure to pay monthly solid waste fees will result in service suspension and cart removal.
- Previously purchased City carts are not eligible for collection and will not be emptied unless registered in the Cart Lease Program.
- Commercial businesses, including churches, are not eligible for this program.
- Reference: City of Memphis Code of Ordinances, Chapter 15 Sections 12-7 & 12-12 (carts).
