Subject: Pilot Sewer System Evaluation Survey
(SSES) Statement of Qualifications
SOQ No. 179821.13.S0001
Notification of short listed firms

Attention: Pilot SSES SOQ Responsive Firms

The Statement of Qualifications (SOQs) were received on August 13, 2013 and subsequently evaluated based on the qualification criteria identified within the SOQ No. 179821.13.S0001.

This evaluation process has resulted in the following firms being short listed:

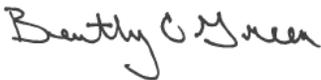

- Compliance EnviroSystems, LLC
- Hydromax USA
- Hydro Structures
- RJN Group
- Trekk Design Group
- Visu-Sewer

As detailed within the SOQ, those firms identified above are invited to proceed to Step 2 of the SOQ process consisting of the completion of the OCI Supplier/Subcontractor Registration process. OCI will be in contact with each of you shortly to initiate the process.

Those firms that successfully complete and are approved will receive a Request for Proposal for the Pilot Sewer System Evaluation Survey.

If you have any questions regarding this notification, please contact the undersigned at GreenB2@bv.com.

Thank you,

Bently C. Green, P.E.
Program Manager
