MEMPHIS, TENNESSEE

MEMPHIS IS THE PLACE TO BE IN 2016

Neighborhoods, USA is a national non-profit organization committed to building and strengthening neighborhood organizations. Created in 1975 to share information and experiences used to build stronger communities, NUSA continues to encourage networking and information-sharing to facilitate the development of partnerships among neighborhood organizations, government and the private sector for the ultimate goal of strengthening every neighborhood.

The City of Memphis would like for you to join us for the 41st Annual Neighborhoods, USA (NUSA) conference. Each year, NUSA delegates come together to share information, best practices, common concerns and even brainstorm about new ideas to help improve their communities. A great benefit is that these discussions take place among individuals from all walks of life whether it be neighborhood associations, community non-profits, local, state and federal government and including the private sector. The delegates also cover all levels of socio-economic levels because neighborhood engagement and neighborhood issues are not confined to certain neighborhoods, but they impact everyone. Please visit www.cityofchoice.org to register.
