3.4 QUALIFICATIONS AND EXPERIENCE
The Vendor must provide a list of all automated speed enforcement camera systems that it has been awarded in the last five (5) years. The list shall include:
1. Name of municipality.
2. Equipment type.
3. Quantity.
4. Date of installation.
5. Number of street segments covered
6. Number of camera systems in each municipality

Vendor must provide an explanation for any contract that was terminated or for which service was no longer provided during the period prior to the end date of the contract.

Vendor must discuss in the proposal the Vendor’s success with implementing automated speed enforcement systems and service programs of similar size within similar time frames.

Vendor must provide all of the information required in Section 1.3 of this Request for Proposals.

Vendor must certify that all information provided to the City is true and correct and can be relied upon in awarding the contract contemplated hereunder. Any false or misleading information shall be grounds for the City to disqualify the Vendor’s response to this proposal from consideration.

3.5 EQUAL BUSINESS OPPORTUNITY (EBO) PROGRAM
The Vendor’s Proposal shall provide a complete EBO participation plan or well documented good faith efforts.

Equal Business Opportunity Program
This contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity (“EBO”) Program. It is up to the Respondent to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City’s website at www.memphistn.gov under “Doing Business”. The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises (“M/WBE”) in the City’s purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation is 15%. M/WBE participation in this project is strongly encouraged and will be a factor in the proposal evaluation process. The percentage of M/WBE participation is defined as the dollar
value of subcontracts awarded to certified minority and/or women business enterprises divided by
the total proposed base bid amount. The participation for this project will be presented by each
Vendor as part of their proposal. The Vendor is required to meet or exceed this goal or to provide
documentation of the Good Faith Efforts made to achieve this goal.

Participation Plan
The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates
to achieve in the performance of contract resulting from this RFP; (2) the type of work to be
performed by the M/WBE participation; and (3) the names of the M/WBEs the Respondent plans to
utilize in the performance of the contract resulting from this RFP. See Figure 1.

Good Faith Efforts Documentation
If a Vendor proposes an M/WBE percentage less than the established goal, the Vendor must, at the
time of the response, submit a Good Faith Efforts statement (Figure 2) accompanied by the
appropriate documentation justifying its submitted M/WBE percentage. The ability of the Vendor to
perform the work with its own work force will not in itself excuse the Vendor from making good faith
efforts to meet participation goals. The determination of whether a Vendor has made a good faith
effort will be made by the City’s Contract Compliance Officer, Director of Finance and the Purchasing
Agent, prior to the award of the project.

Eligible M/WBE Firms
To qualify as an M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must
be included on the City’s list of certified M/WBE firms. One or a combination of several M/WBEs may
be utilized to meet the established goal of 15%.

Requests for verification must be submitted to the City's Contract Compliance Office listed below:

4.6.1. PROPOSAL FORMAT
The City expects the Proposal to be a compilation of various documents. Vendor’s Proposal must utilize the RFP response templates set forth in the Exhibits in this RFP. The Proposal should be structured with two sections so that there is a primary, “core” document organized in accordance with Section 3 and an Appendix containing the other documents.

All pages should be printed on 8 ½” x 11” paper, unless another format is provided by the response template. Vendor responses should be specific, factual, brief and to the point, and should avoid pure sales and marketing content to the extent possible.

The core document shall be limited to 50 pages, single sided.

The Appendix shall contain all technical specifications for the equipment.

4.6.2. PROPOSAL EXPIRATION DATE
Proposals in response to this RFP shall remain valid for nine (9) months from the Proposal due date. The City may request an extension of time if needed.

4.6.3. VENDOR DATA
The confidentiality of information and data contained in Vendor’s Proposal shall be subject to and governed by the Open Records Act and any other Public Records laws with which the City is legally obligated to comply (including a Freedom of Information Act Request under “FOIA”).

4.6.4. Deadline Extension
The City reserves the right to extend the submission deadline, if such action is considered necessary by the City.

4.6.5. Ambiguity, Conflict, or other Errors in the RFP
If a Vendor discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, it shall immediately notify the City of such error and request modification or clarification of the document. The Vendor shall include the RFP number, page number and the applicable paragraph title in these notifications. The City will issue/post any revisions to the RFP on the City's website (www.memphistn.gov). The Vendor is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the Request for Proposals prior to submitting the proposal or any ambiguity, conflict, discrepancy, etc. shall be waived.
4.6.6. Withdrawing or Amending a Proposal
At any time prior to the scheduled deadline for receipt of proposals, the Vendor may withdraw or amend its proposal by submitting a written request from the authorized representative whose name and signature appears on the proposal. A written request to withdraw or amend the proposal must be submitted to the Principal Contact.

4.6.7. Acceptance/Rejection of Proposals
The City reserves the right to accept or reject, in whole or in part, any or all proposals submitted. The City shall reject the proposal of any Vendor that is determined to be non-responsive.

4.6.8. Informalities/Minor Irregularities
The City reserves the right to waive minor irregularities or informalities in a Vendor’s proposal when the City determines that it will be in City’s best interest to do so. Any such waiver shall not modify any remaining RFP specifications or excuse the Vendor from full compliance with the RFP specifications and other contract requirements if the Vendor is awarded the contract.

4.6.9. Vendor indebted to the City
No contract will be knowingly awarded to any organization which, in the City's sole discretion, is in arrears to the City of Memphis upon any debt or contract, or which is a defaulter as surety or otherwise under any obligations to the City of Memphis, or which has failed to perform faithfully on any previous contract with the City of Memphis.

4.6.10. Tax Payments
The City of Memphis exempt from federal excise, state and local taxes on all purchases and will issue tax exemption certificates, upon request.

4.6.11. GENERAL

4.7 FINALIST SELECTIONS (OPTIONAL)
The City may or may not select a few the RFP respondents who will be asked to give an oral presentation of its proposal and/or demonstration of its products to the City. However, the City is not obligated to interview any finalist. If interviews are conducted, these Vendors will be selected based on an evaluation of their Proposals against the criteria described in Section 5 of this RFP. RFP recipients that are not selected to progress to the oral presentations will be excluded from further consideration.

For this reason, Vendor is strongly encouraged to make as complete and compelling a Proposal as possible. The RFP recipient who fails to comply risks being dropped from further consideration.
4.8 **RECIPIENT PRESENTATIONS (OPTIONAL)**

Details pertaining to the oral presentation/demonstration phase of the RFP process will be confirmed after Proposal submission. However, if presentations are requested, they are tentatively scheduled to begin the week of **February 26, 2018**.

If Vendor is one of the RFP recipients asked to give an oral presentation/demonstration, Vendor should prepare a comprehensive presentation that concentrates on the business and technical aspects of the Proposal, and not a marketing presentation. **VENDOR’S PROPOSAL WILL NOT BE ALTERED OR ENHANCED DURING THE ORAL PRESENTATION.**

Appropriate visual and written materials are expected, but the format will be left to the discretion of the Vendor. A soft copy of all presentation materials must be delivered to the Principal Contact at least one business day before the beginning of the presentation. Vendor should also bring a sufficient number of printed copies of the materials for the City attendees at the presentation.

The City may provide a last-minute agenda or other direction for the Vendor’s presentation based on the City’s initial review of the Proposals.

4.9 **CONTRACT AWARD**

The award of contract will be made on the basis of the best proposal, as determined by the City, which meets the requirements and criteria set forth in the solicitation. The City may fund all or any part of a proposal, and the City will only accept proposals for the services requested. The proposal submitted in response to this solicitation is not a legally binding document; however, the contract, which will be based on information provided in the proposal, becomes legally binding once all parties have signed it. Any contract resulting from this RFP shall be subject to the City of Memphis General Terms and Conditions set forth in this solicitation. The successful Contractor shall be required to execute the contract originated by the City of Memphis and satisfy all contract requirements as specified by the City. One or more contracts may be awarded under this RFP, and any contract awards and amounts are subject to the availability and appropriation of funds. **Unless changed by the City, the anticipated contract will commence upon contract execution and end five years after the contract execution.**

4.10 **PROTESTS**

Any protest of award must be filed in writing with the Purchasing Agent within five calendar days of the award announcement at the following address:

City of Memphis Purchasing Agent:
125 North Main, Room 354
Memphis, Tennessee 38103.

4.11 **MODIFICATION OR TERMINATION OF RFP PROCESS**

Subject to the rules and regulations of the City’s Procurement Office, including with respect to providing notification and, where applicable, providing the opportunity to revise proposals, the City reserves the right to, in its sole discretion, discontinue, amend, supplement, or otherwise change this RFP, the Initiative, the process used for evaluation, and the expected timeline at any time and for any reason, and makes no commitments, implied or otherwise, that this process will result in a business transaction with any Vendor.
4.12 SUPPLEMENTAL INFORMATION
If, subsequent to issuance of this RFP, additional relevant material is produced by or becomes available to the City, such material will (where appropriate) be transmitted to all RFP participants for their consideration. The City will make modifications by issuing a written addendum, which will be posted on the City's website. Any revisions to the solicitation will be made only by an addendum issued by the City. It is the responsibility of the Vendor to check the website for possible addenda and should consider such information in its Proposal. The City will assume that all changes or additional requirements transmitted have been taken into account in Vendor’s Proposal (including with respect to pricing), unless otherwise specified.

4.13 NO REPRESENTATIONS OR WARRANTIES
The City makes no representations or warranties regarding the accuracy or completeness of the information contained in this RFP or otherwise provided by the City through the RFP process. Vendor is responsible for making its own evaluation of information and data contained in this RFP or otherwise provided by the City, and for preparing and submitting responses to the RFP. The City has attempted to validate the information provided in this RFP, but it is possible that Vendor may detect inconsistencies or potential errors. While Vendor should identify these potential issues in its questions or in an appendix to its Proposal, Vendor should use the information provided on an “as-is” basis for its initial Proposal. Information regarding the City and the Initiative may be revised or updated, and republished for inclusion in a final response.

4.14 PROPOSAL PREPARATION COSTS
Vendor will be responsible for all costs it incurs in connection with this RFP process (including but not limited to Proposal preparation, personnel time, travel-related costs, and other expenses) and any subsequent agreement negotiations.

4.15 OWNERSHIP AND INTELLECTUAL PROPERTY
The City will own all of the data contained within the ASE System.

5. EVALUATION MODEL
5.1 QUALIFYING PROPOSALS
City will review each submitted Proposal to determine whether it is a Qualifying Proposal. A Qualifying Proposal is one that meets all of the criteria set forth below. All Proposals that ARE NOT a Qualifying Proposal will be disqualified from this RFP process. A Qualifying Proposal is a Proposal that:

- Was submitted (in the form and format required) by the due date as specified in Section 4.6.
- Conforms to the requirements of the RFP (e.g. includes the requisite number of copies, customer references, etc.).

5.2 EVALUATION OF QUALIFYING PROPOSALS
City will evaluate each Qualifying Proposal based on the degree to which it complies with City's requirements, as articulated in this RFP. The primary categories to be evaluated are:

- **Scope and Solution/Implementation:** whether Vendor accepted the scope of services presented in this RFP, meets the solution/implementation requirements and constraints,
proposes an appropriate development plan, mitigates risks, and the equipment meets or exceeds the technical specifications.

- **Qualifications and Experience**: whether Vendor demonstrates the qualifications and experience that meet the requirements of this RFP.
- **Pricing**: whether Vendor provides a cost-effective pricing methodology.
- **EBO**: The use of EBO firms in this project is strongly encouraged and the proposal will be evaluated based on whether or not the proposal meets the EBO goal. Failure to meet the EBO goal without an acceptable demonstration of a good faith effort to achieve the goal will eliminate the proposal from further consideration.

Information on how the City will weigh these categories is set forth below:

ENTIRE AGREEMENT. This Agreement constitutes the full and final understanding of the parties with respect to the subject matter hereof and supersedes and replaces any and all prior or contemporaneous agreements or understandings, whether written or oral, express or implied, between the parties with respect to the subject matter of the Agreement.

STANDARD OF PERFORMANCE. All services by the Contractor shall be performed in compliance with the specified requirements, in a manner satisfactory to the City, and in accordance with the generally accepted business practices and procedures of the City and pursuant to the governing rules, practices and regulations of the industry, based on the type of services performed hereunder.

HEADINGS. Titles and headings used herein are for the convenience of reference only and shall be disregarded completely in the interpretation and validity of this Agreement or any of its terms.

MODIFICATION AND AMENDMENT. This Agreement shall be amended or modified only by a written document signed by the parties hereto, in accordance with applicable laws and regulations.

CONFIDENTIALITY. While performing work under this Agreement, the Contractor may gain access to proprietary and/or confidential information that, if disclosed to third parties, may be damaging to the City or its officials or employees. Such information shall include materials considered to be confidential information as a matter of law (e.g., personnel records), and shall also include (i) all materials in any form developed or created by the City related to funding and financial and business information; (ii) all information owned, possessed or used by the Contractor, which is communicated to, learned, developed or otherwise acquired by the Contractor in the performance of the Services for the City; (iii) the terms, conditions and pricing contained herein; and (iv) any other information that the Contractor has been advised by the City is confidential, privileged or proprietary. The Contractor shall neither use nor disclose such
information, except as provided in this Agreement or as required by law, without the prior written permission of the City.

The Contractor acknowledges and agrees that a breach of this section by the Contractor will cause the City irreparable injury and damage; therefore, the Contractor expressly agrees that the City shall be entitled to injunctive or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement. The Contractor agrees that it will disclose confidential information only to those employees who have a right to know, and shall require its employees, agents, and subcontractors to comply with the requirements of this provision and the requirements of the provisions herein titled "Public Statements" and "Rights in Data."

In implementing the foregoing, the Contractor hereby grants and assigns to the City all rights and claims of whatever nature, whether now or hereafter, arising in and to any and all of such reports, studies, plans, models, drawings, specifications, and other information or data and shall cooperate fully with the City in any steps the City may take to obtain copyrights, trademark or like protections with respect thereto. The signing of this Agreement shall constitute a complete transfer of ownership, intellectual property and copyright of all documents from the Contractor to the City upon the Contractor's delivery of such documents and/or information to the City or upon completion of the Project, whichever occurs first. The Contractor shall not construe such transfer as a grant for usage nor can the Contractor revoke it.

EMPLOYMENT OF CITY WORKERS. The Contractor shall not engage, on a full, part-time or any other basis during the term of this Agreement, any professional or technical personnel who are or have been at any time during the term of this Agreement in the employ of the City.

The Contractor further certifies that all of its employees assigned to perform any work hereunder shall have such knowledge and experience as required to perform the duties assigned to them. Any employee of the Contractor who, in the opinion of the City, is incompetent, whose conduct becomes detrimental to the work, or whom the City deems to be unsatisfactory for any reason, shall immediately be removed from association with the services hereunder per the City's request. Upon such request, the Contractor shall use all reasonable efforts to promptly replace such employee(s) with substitute employee(s) having appropriate skills and training. **INDEPENDENT CONTRACTORS.** Nothing in this Agreement shall be deemed or construed to represent that the Contractor, or any of the Contractor's employees or agents, are the agents, representatives, or employees of the City. The Contractor acknowledges that it is an independent contractor over the details and means for performing the services hereunder. Anything in this Agreement which may appear to give the City the right to direct the Contractor as to the details of the performance of its obligations hereunder or to exercise a measure of control over the Contractor is solely for purposes of compliance with local, state and federal regulations and means the Contractor will follow the desires of the City only as to the intended results of the scope of this Agreement.

It is further expressly agreed and understood by the Contractor that neither it nor its employees or agents shall hold itself out contrary to the terms of this paragraph, and the City shall not be liable for any representation, act or omission of the Contractor contrary to the provisions hereof..

a. the Contractor or any of its principals, partners or corporate officers, if a corporation, including the corporation itself, has plead nolo contendere, or has plead or been found guilty of a criminal violation, whether state or federal, involving, but not limited to, governmental sales or purchases, including but not limited to the rigging of bids, price fixing, misappropriation of government funds, or any other collusive and illegal activity pertaining to bidding and governmental contracting; or
   
b. the Contractor subcontracted, assigned, delegated, or transferred its rights, obligations or interests, voluntarily or involuntarily, under this Agreement without the City's consent or approval; or
   
c. the Contractor has filed bankruptcy, has been adjudicated bankrupt, become insolvent or made an assignment for the benefit of creditors, or a receiver, or similar officer is appointed to take charge of all or part of the Contractor's assets.

2. The City may cancel/terminate this Agreement, in whole or in part, upon providing written notice to the Contractor of the City's intention to terminate the Agreement as a result of Contractor's failure to provide the goods/services specified under this Agreement or in violation(s) of any of the terms herein, and the Contractor has failed to cure such breach within 30 business days of such notice. The City may reject the goods/services and cancel this Agreement for any goods/services rendered or to be rendered hereunder. At its option, the City may return the rejected portion of such products to Contractor at its expense or hold the same for such disposal as Contractor shall indicate. In the event of any such rejection/termination, the City shall, at the City's option, have the right to obtain like goods/services elsewhere or to take over the work and prosecute the same to completion, both at the Contractor's expense; and in such event, the City may take possession of and utilize in completing the work, such materials, appliances, etc. as may be on the site of the work and necessary therefore. The Contractor shall be liable to the City for any loss, damage, or additional cost incurred thereby, including but not limited to any difference between the cost for procuring such like services and the price specified herein, attorneys' fees and court costs.

3. Notwithstanding the foregoing or any section herein to the contrary, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Agreement.
by the Contractor, and the City may withhold any payments to the Contractor, for the purpose of setoff, until such time as the exact amount of damages due the City from the Contractor is determined.

4. The City may, in its sole discretion, suspend and/or terminate this Agreement for convenience upon giving 30 business days prior written notice to the Contractor. In the event a purported termination for cause by the City is in error, then such termination may, at the City's sole discretion, be deemed to be a termination for convenience under this section. In the event of such termination, the Contractor shall be entitled to receive just and equitable compensation, as determined by the City, for any goods accepted and/or satisfactory authorized work performed in accordance with the Agreement up to the termination date; but in no event shall the City be liable to the Contractor for expenses incurred after the termination date. All goods accepted by the City/services completed by the Contractor prior to the Termination Date shall be documented and all tangible work documents shall be transferred to the City prior to payment for services rendered, and shall become the sole property of the City. Such termination by the City shall not be deemed a Breach of Contract by the City, and the Contractor shall not be compensated for any anticipatory profits, or other damages of any description, that have not been earned as of the date of termination.

5. The Contractor shall deliver to the City all hard copy and electronic files maintained on behalf of the City within thirty (30) calendar days of termination of this Agreement. Upon reasonable request, the City reserves the right to obtain such information prior to the termination of this Agreement.

COMPENSATION FOR CORRECTIONS. No compensation shall be due or payable to the Contractor pursuant to this Agreement for any of the services performed by the Contractor to correct services, when such corrections are required as a direct result of negligence by the Contractor to properly fulfill any of its obligations herein.

CITY'S RIGHT TO WITHHOLD CERTAIN AMOUNTS AND MAKE APPLICATION THEREOF. If evidence is produced before the final settlement of all or any balances that the Contractor has failed to pay laborers employed on his work or failed to pay for materials used therein, or if the City has reason to suspect the same, the City may withhold such balances and upon evidence satisfactory to the City as to the amount due for such labor and materials, the City, acting as the agent of the Contractor, may settle and pay for the same and charge the amounts to the Contractor and deduct the same from the said balance or balances.

REMEDIES CUMULATIVE. All remedies available to the City herein are cumulative and shall be in addition to all other rights and remedies provided by law. The termination, expiration, or suspension of this Agreement shall not limit the City from pursuing other remedies available at law or in equity.

SUBCONTRACTING, ASSIGNMENT or TRANSFER. The Contractor shall not subcontract, assign, delegate or transfer all or part of its rights, responsibilities, or interest under this Agreement without the prior written consent of the City. Any purported assignment, transfer, or delegation in violation of this Section shall be voidable by the City. No subcontracting, assignment, delegation or transfer shall relieve the Contractor from performance of its duties hereunder; neither shall the City be responsible for the fulfillment of the Contractor’s obligations to its transferees or subcontractors. Upon request of the City, the subcontracting, assigning, delegating or transferring party shall provide all documents evidencing the transfer. At any time, City may, in its sole discretion, revoke its prior approval of a subcontractor and direct Contractor to replace such subcontractor or perform the services that were being performed by such contractor itself if the City finds in its reasonable judgment that (i) such subcontractor's performance is materially deficient or otherwise unacceptable to City; (ii) good faith doubts exist concerning the subcontractor's ability to render future performance because of changes in the subcontractor’s
ownership, management, financial condition, or otherwise; or (iii) there have been one (1) or more material misrepresentations by or concerning the subcontractor. The City reserves the right to terminate the Agreement if Contractor, in whole or in part, is acquired by another entity during the term of this Agreement.

In the event the Contractor is allowed to sublet any part of the Agreement, the Contractor shall be as fully responsible to the City for the acts and omissions of the subcontractor and of the persons employed or directly or indirectly employed by the subcontractor as he is for the acts and omissions of persons employed by Contractor. The Contractor shall not be allowed to subcontract more than 70% of the work on this project. The computation for percentages shall be based on monetary values.

**CONFLICT OF INTEREST.** Neither party shall engage in any conduct or activity in the performance of this Agreement that constitutes a conflict of interest under applicable federal, state or local laws, rules and regulations.

The Contractor covenants that it has no public or private interest, and shall not acquire, any interest, directly or indirectly, which would conflict in any manner with the performance required under this Agreement, and the Contractor covenants that no gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any officer, official, agent or employee of the City, in an effort to secure the Agreement or favorable treatment with respect to any determinations concerning the performance of the Agreement. The Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of the City as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor or consultant to the Contractor in connection with any work contemplated or performed relative to this Agreement. For breach or violation of this provision, the City shall have the right to recover or withhold the full amount of such gratuities.

**COVENANT AGAINST CONTINGENT FEES.** The Contractor warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Contractor, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Contractor any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement. For breach or violation of this provision, the City shall have the right to recover the full amount of such fee, commission, percentage, brokerage fee, gift, or other consideration.

**GENERAL COMPLIANCE WITH LAWS.** The Contractor certifies that it is qualified or will take steps necessary to qualify to do business in the State of Tennessee and that it shall take such action as, from time to time, may be necessary to remain so qualified and shall obtain and maintain, at its own expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Agreement. Such permits and licenses shall be made available to the City, upon request.

The Contractor is assumed to be familiar with and shall comply with all applicable federal, state, and local laws, ordinances, and regulations in performing any of its obligations under this Agreement, including but not limited to the City of Memphis Living Wage Ordinance, the Fair Labor Standards Act, Occupational Safety and Health Administration (OSHA), and the Americans with Disabilities Act (ADA). The Contractor shall promptly notify the City of any conflict discovered between this Agreement and any applicable laws, rules, regulations, and/or permits and licenses, and await resolution of the conflict.

**NON-DISCRIMINATION.** The Contractor hereby agrees to comply with Title VI and Title VII of the Civil Rights Act of 1964 and all other federal, state or local laws prohibiting discrimination, which provide in
whole or in part, that no person shall be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in the performance of this Agreement or in the Contractor's employment practices on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, State or statutory law. The Contractor shall, upon request, show proof of such nondiscrimination, and shall post in conspicuous places available to all employees and applicants notices of nondiscrimination. In the event the Contractor fails to comply with the City's non-discrimination policy and any and all other laws prohibiting discrimination, this Agreement may be canceled, terminated or suspended in whole or in part by the City.

The City reserves the right to investigate any claims of illegal discrimination by the Contractor and in the event a finding of discrimination is made and upon written notification thereof, the Contractor shall take all necessary steps to cure and rectify such action to the reasonable satisfaction of the City. The Contractor's failure or refusal to do so shall be cause for termination of this Agreement in accordance with the terms of this Agreement.

EMPLOYMENT OF ILLEGAL IMMIGRANTS. The Contractor hereby certifies to comply with all applicable federal and state laws prohibiting the employment of individuals not legally authorized to work in the United States. Contractor shall not knowingly (i) utilize the services of illegal immigrants; or (ii) utilize the services of any subcontractor who will utilize the services of illegal immigrants in the performance of the contract. In the event the Contractor fails to comply with any and all local, state and federal laws prohibiting the employment of individuals not legally authorized to work in the United States, this agreement may be canceled, terminated or suspended in whole or in part by the City, and the Contractor may be prohibited from contracting to supply goods and/or services to the City for a period of one (1) year from the date of discovery of the usage of illegal immigrant services in the performance of a contract with the City.

SEVERABILITY. If any terms or provisions of this Agreement are held to be illegal, invalid or unenforceable as a matter of law, such provision shall be fully severable, and the remaining provisions of this Agreement shall remain in full force and effect and continue to be binding and shall not be affected by such provision or by its severance herefrom. Furthermore, in lieu of such unlawful, invalid, or unenforceable provision, the parties may negotiate in good faith to replace such provision with a valid, legal and enforceable provision that most closely approximates the parties' original intent.

NO WAIVER OF CONTRACTUAL RIGHT. No term or provision of this Agreement, or of any document executed pursuant hereto, shall be held to be waived, modified or deleted unless in writing and executed by the parties hereto and specifically identified as a waiver of any succeeding breach thereto or of any other provision herein contained. No delay or failure of the City to enforce any right or provision of this Agreement or in any document executed pursuant hereto shall operate as a waiver or relinquishment of the City's right to subsequently enforce and compel strict compliance with such provision or any other provision herein or in any document related hereto.

SUBJECT TO FUNDING. This Agreement is subject to availability and annual appropriation of funds by the Memphis City Council. In the event sufficient funds for this Agreement are not available or appropriated by the Memphis City Council for any of its fiscal period during the term hereof, then the City shall immediately terminate this Agreement upon written notice to the Contractor. In the event of such termination, the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work performed up to the termination date. document supplied to the City by the Contractor, the Contractor understands and acknowledges that the
City is a governmental entity subject to the State of Tennessee Public Records Act, and any reports, data
or other information supplied to the City regarding services performed hereunder may be subject to
disclosure as a public record in accordance with the laws of the State of Tennessee.

**ORGANIZATION STATUS AND AUTHORITY.** The Contractor represents and warrants that it is a
corporation, limited liability company, partnership, or other entity duly organized, validly existing and in
good standing under the laws of the state of Tennessee; it has the power and authority to own its
properties and assets and is duly qualified to carry on its business in every jurisdiction wherein such
qualification is necessary.

   The execution, delivery and performance of this Agreement by the Contractor has been duly
