ARTICLE 1 PREAMBLE

This Memorandum of Understanding is entered into by the City of Memphis; hereafter referred to as the City or Employer, and the International Union of Operating Engineers Local 369D, hereafter referred to as the Union.

The City of Memphis is engaged in the operation and maintenance of Wastewater Treatment Plants, Sewer Lift Stations, Flood Control Facilities, Dispatching, Stoppage Operations and Pollution Control in Memphis, Tennessee, and the parties to this Memorandum are desirous of entering into this Agreement to formalize the relationship between the parties. Effective July 1, 2013 the Dispatchers and Stoppage Operators Memorandums of Understanding (MOUs) were merged into the Treatment Plant MOU by mutual agreement between the City and the IUOE. Several Articles and Sections of the combined MOU will describe the applicability of Dispatchers and Stoppage Operators to this document.

Note: If there is a question of language interpretation in the combined MOU the language contained in the 2011 – 2013 individual MOUs of Treatment Plant, Stoppage Operators, and Dispatchers will be reviewed for clarity and intent.

ARTICLE 2 RECOGNITION

Section 1. The City recognizes I.U.O.E., Local 369D, to be the sole bargaining agent for all permanent, full time employees listed in Appendix A, B and C of this Agreement. Such bargaining shall be understood to be for wages, hours of work, and other conditions of employment to the fullest extent provided by the applicable laws of the City of Memphis and the State of Tennessee.

Section 2. The City grants exclusive recognition to the Union in accordance with the City Council labor policy, which provides that no other labor organization shall be recognized unless they are designated by a majority of the non-supervisory personnel of the appropriate classification.

ARTICLE 3 MANAGEMENT RIGHTS

Section 1. The City of Memphis has the exclusive right to determine the purpose of each of its agencies and to set the standards of service to be offered to its citizens. It is also the right of the City to direct its employees to hire, promote, demote, transfer, assign or retain employees in positions within an agency or department, and to establish reasonable work rules which do not conflict with this Agreement; however, any work rule change that affects an established system shall be discussed with the Union in advance of change. The City also has the right to suspend, discharge or take other disciplinary action against its employees for just cause and in accordance with the provisions of the Memorandum of Understanding; and to relieve its employees from duty in the event of lack of work, funds, or for other legitimate reasons provided, however that nothing contained in this article shall be deemed to deny the rights of any employee to submit a grievance concerning the application or interpretation of terms of this Memorandum of Understanding or a claimed violation, misinterpretation, or misapplication of the rules or regulations of the City affecting the terms and conditions of employment. All rights and duties of both parties are specifically expressed in the Memorandum of Understanding and each of the parties reserves to itself the rights and privileges otherwise accorded it whether by Charter, statute, or common law with respect to any matter not expressly covered by this Memorandum of Understanding. The City's failure to exercise any function or right reserved to it, or its exercising any function or

right in a particular way shall not be deemed a waiver of its right to exercise such function or right in the future. The failure of management to use any rights identified in this Article shall not remove such rights from management.

Section 2. If it is determined by the Mayor or Division Director that civil emergency conditions exist, such as disasters or other catastrophes, the non-economic provisions of this Agreement may be suspended by the Mayor or the Division Director, during the time of the declared emergency. The provisions of this Agreement will not be suspended unless the Business Agent or his office is first advised in advance, or no later than the next business day after the declared emergency.

ARTICLE 4 NON-DISCRIMINATION

The Union and the City agree that no employee shall be illegally discriminated against because of union membership, or union activity, use of the grievance procedure, sex, marital status, race, religion, creed, national origin, or political affiliation.

The term "employee" in this Agreement, or use of the male gender, shall be construed as including female.

The Union and management shall not coerce, intimidate, or in any other manner, discriminate against any employee who exercises his/her right to join or continue membership in the Union. No employee shall be denied promotion or any other benefit, because of his/her membership or lack of membership in the Union.

ARTICLE 5
UNION STEWARDS-UNION REPRESENTATION

Section 1. The City recognizes and agrees to deal with all accredited Union Stewards, business agents, and assistant business agents of Local Union #369D, as well as the president and/or international representative of the I.U.O.E., as set forth in the grievance procedure.

Section 2. The City agrees that non-employee officers and/or representatives of the Union shall have reasonable access to the premises of the City during work hours for the purpose of assisting in the adjustment of grievances and conducting other union business provided such visitations shall be for the reasons of administration of this Agreement. Only representatives of the Union previously furnished to the City in writing by the Union, shall be permitted to come on the premises of the City for the purpose of investigating and discussing grievances, provided prior notification has been given to the Director or his designated representative and, provided a Union representative does not interfere with the work of the employees. Any union meeting with all assigned personnel to that area, which is called by the Union Representative or Business Manager, may be held on City property during working hours upon request to the Division Director or his designee, which permission shall not be unreasonably withheld.

Section 3. A written list of Union Officers and Steward shall be furnished to the Manager of the Labor Relations Office in care of the City Human Resources Division within ten (10) days after their designation.

This list shall identify the employee, position held, and the term of office. The Union shall notify the City Human Resources Director within five (5) days of any change in status of Union Officers and/or Stewards.

Section 4. The appropriate Union Steward shall be granted reasonable time off during working hours to investigate potential grievances, or to settle complaints which have not become formal grievances, upon requesting and receiving approval of the Supervisor. Such approval shall not be unreasonably withheld. The appropriate Union Steward may investigate grievances, or settle complaints at their assigned work location. When necessary, management may request that a Union Steward from another work location be brought in to investigate a specific grievance or settle a specific complaint.

Section 5. In the event that a bargaining unit employee's attendance is required by the City or the Union at either a grievance hearing or arbitration hearing and said employee is not the aggrieved employee and the hearing is not during the employee's scheduled work shift, said employee shall be given compensatory time off at the rate of straight time or paid at the regular rate of pay for all time spent in the above mentioned hearing.

Professional Conduct

Realizing that all matters of controversy between the City and the Union shall be resolved through the grievance procedure set forth herein, management, union representatives, stewards, and officers pledge themselves to the highest standards of professional conduct and agree that abusive conduct (verbal or physical), intimidation, coercion or any other form of misconduct shall not be tolerated at any time.

ARTICLE 6 GRIEVANCE AND ARBITRATION PROCEDURE

Any grievance, defined as an alleged violation of an express provision of the Memorandum of Understanding, shall be handled in a simple and direct manner as follows:

(It is agreed by the Union that employees covered by this Agreement shall make an exclusive election of remedy prior to filing a second step grievance or initiating action for redress in any other forum. Such choice remedy shall be made in writing on the form to be supplied by the City).

Step 1. The aggrieved employee and the Union Steward shall discuss the grievance with the immediate Supervisor within ten (10) working days of the date of the alleged grievance or the employee's knowledge of its occurrence. The immediate Supervisor shall attempt to adjust the dispute and shall respond to the aggrieved employee within ten (10) working days.

Step 2. If not resolved at Step 1, the grievance shall be reduced to writing, indicating the specific Article allegedly violated and a brief description of the grievance, within ten (10) working days of the grievance or the employee's knowledge of its occurrence, or within ten (10) working days of the immediate Supervisor's response, whichever is longer. The Unit Manager shall, upon receipt of the written grievance from the Union, discuss the matter with the aggrieved employee and the Union Steward. The Unit Manager will respond in writing within ten (10) working days.

Step 3. The Union shall notify, in writing, the Division Director within ten (10) working days, its acceptance or rejection of the answer at Step 2. If appealed, the Division Director, or his designee, will conduct a thorough discussion with the appropriate management personnel, the aggrieved employee, the Steward, and the Business Agent or designee within ten (10) working days. This time may be extended by mutual agreement. The Division Director or his designee shall then give his answer within ten (10) working days following the date of the hearing.

The failure of the appropriate Union Representative to respond as required in any of the steps within the time provided shall be considered as acceptance of the answer. The failure of the appropriate City Representative to respond as required in any of the steps of the grievance within the time provided shall be considered as upholding the grievance.

Step 4. The Union shall review the answer of the Division Director and indicate in writing, its acceptance or rejection or request for arbitration if desired, within fifteen (15) working days after the rendering of the Division Director's written decision unless, extended by mutual agreement. The decision of the Division Director shall be mailed by certified mail to the Union office, return receipt requested. The Union, in submitting its request for arbitration, shall send said request by Certified Mail to the Mayor, with a copy to the Labor Relations Manager by regular mail. It is understood that the proper Union Representatives may be involved at both Steps Three (3) and Four (4). The Union shall have the right to take up suspensions and/or discharge within ten (10) working days at Step 3 of the grievance procedure and the matter will be handled in accordance with the procedure through the Arbitration Step, if deemed necessary.

ARBITRATION PROCEDURE

The arbitrator shall have access to all written statements and documents pertaining to the appeals in the grievance, but the arbitrator shall have no power to amend, revise add to, nor subtract from, nor modify any terms of this Memorandum of Understanding, and any other Memorandum made supplementary thereto. The arbitrator shall be jointly selected by the Union and the City.

If, within five (5) days after the request for arbitration is made, the Union and City fail to agree upon the appointment of an arbitrator, a request will be made to the American Arbitration Association or Federal Mediation and Conciliation Service for a list of a minimum of five (5) arbitrators. The Union and the City may select one from the list of arbitrators or if they still cannot agree, the following procedures shall be followed as stated below:

The parties will alternatively strike names from the list of arbitrators until one (1) name remains. The arbitrator whose name remains shall be designated as the arbitrator. The first opportunity to strike the name of an arbitrator will be alternated between the parties. In the event the arbitrator designated declines to act, the procedure of striking names will be reinstated until an arbitrator willing to act has been selected.

The arbitrator shall hold a hearing as expeditiously as possible after the receipt of the request to arbitrate and full opportunity shall be given both parties to be heard and to examine and cross examine witnesses and offer other evidence. The arbitrator's decision shall be in writing and shall set forth the arbitrator's finding of facts, opinion, and conclusion on the issues submitted. The arbitrator shall render his decision not later than thirty (30) calendar days after the conclusion of the final hearings.

The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the applicable laws or rules and regulations having the force and effect of law. The fee and expenses of the arbitrator and the cost of a written transcript for the arbitrator shall be divided equally between the Division and the Union, provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written

transcript. The decision of the arbitrator shall be final and binding on the parties. The arbitrator shall have no power to add to, subtract from, modify any terms of this Agreement, or any other Agreements made supplementary hereto.

It is agreed that the City shall make available any employee to testify at the request of the Union when such persons have information involving the action being arbitrated. This request shall be made in writing to the Mayor or his designated appointee at least seventy-two (72) hours prior to the hearing.

ARTICLE 7 DEPARTMENTAL DISCIPLINARY PROCEDURES

Section 1. The City and Union agree that the intent of this Article is to provide for correcting deficient work behavior in a manner that is fair and equitable to both parties. This Article recognizes the fundamental right of management to instruct, correct, counsel, admonish, and if necessary, officially discipline an employee. The City will not discipline or discharge any full time permanent employee without just cause.

Section 2. The City and the Union agree with the principles of progressive and corrective discipline where appropriate. Disciplinary action will be only the following **** and shall begin at Step A, except for major infractions in which case progressive steps may or may not be followed. Tardiness, absenteeism, and sick leave abuse shall be considered a similar offense, for the purpose of progressive discipline.

**** A. Oral Reprimand

**** B. Written Reprimand

**** C. Suspension

**** D. Discharge

If the conduct or job performance of an employee is questioned to a degree that it

will become a disciplinary matter of permanent record in the employee's personnel file, a Union Steward must be present, if requested by the employee or the City. Notice to the employee will be in writing and shall set forth the reasons for the disciplinary action taken. The City agrees that disciplinary action shall in all instances be given in a timely fashion. Notice to the employee and the Union will satisfy technical complaints. No material placed in the employee's personnel folder including any evaluation of the employee, shall be used to discipline the employee unless a true copy is first given to the employee.

Section 3. Oral and written reprimands may be processed through the regular grievance and arbitration procedure as set forth in Article 6 of this Memorandum. Matters of suspension and discharge may be reviewed by the appropriate Director or his designee to insure that the action taken is appropriate. Once the measure of discipline is determined and imposed the City will not increase it for the particular action of misconduct unless new facts or circumstances become known. Matters of suspension and discharge may be initiated in Step 3 of the grievance procedure. Any grievance decision which directs compensation for time off shall be made less temporary earnings or unemployment compensation benefits received during said period. In any case involving discharge the employee may contest the discharge and may elect to use the grievance procedure.

It is understood that any employee who does not receive any disciplinary action for a period of six (6) months, shall have his or her record cleared for the purpose of progressive discipline.

During such probationary period, employees may be discharged without constituting a breach of this Memorandum. At the end of the probationary period employees shall be placed on the seniority list as of the first day of last employment. Any position that requires more than thirty (30) working days of temporary transfer shall be considered an open position and be posted.
