ARTICLE 1
PREAMBLE

This Memorandum of Understanding is entered into by the City of Memphis, hereafter referred to as the City or Employer, and the International Union of Operating Engineers, Local 369D, hereafter referred to as the Union.

The City of Memphis is engaged in the operation of the Memphis Animal Shelter in Memphis, Tennessee, and the parties to this Memorandum are desirous of entering into this Agreement to formalize the relationship between the parties.

ARTICLE 2 RECOGNITION

Section 1. The City recognizes I.U.O.E., 369D, to be the sole bargaining agent for all regular, full-time employees listed in Appendix A of this Agreement. Such bargaining shall be understood to be for wages, hours of work, and other conditions of employment to the fullest extent provided by the applicable laws of the City of Memphis and the State of Tennessee.

Section 2. The City grants exclusive recognition to the Union in accordance with the City Council labor policy, which provides that no other labor organization shall be recognized unless they be designated by a majority of the non-supervisory personnel of the appropriate classification.

ARTICLE 3 MANAGEMENT RIGHTS

The City of Memphis has the exclusive right to determine the purpose of each of its agencies and to set the standards of service to be offered to its citizens. It is also the right of the City to direct its employees, to hire, promote, demote, transfer, assign or retain employees in positions within an agency or department, and to establish reasonable work rules which do not conflict with this Agreement; however, any work rule change that affects an established system shall be discussed with the Union in advance of change. The City also has the right to suspend, discharge or take other disciplinary action against its employees for just cause and in accordance with the provisions of the Memorandum of Understanding; and to relieve its employees from duty in the event of lack of work, funds, or for other legitimate reasons including contracting out or subcontracting of work provided, however, that nothing contained in this article shall be deemed to deny the rights of any employee to submit a grievance concerning the application or interpretation of terms of this Memorandum of Understanding or a claimed violation, misinterpretation, or misapplication of the rules or regulations of the City affecting the terms and conditions of employment. All rights and duties of both parties are specifically expressed in the Memorandum of Understanding and each of the parties reserves to itself the rights and privileges otherwise accorded it whether by Charter, statute, or common law with respect to any matter not expressly covered by this Memorandum of Understanding.

The Department's failure to exercise any function or right reserved to it, or its exercising any function or right in a particular way shall not be deemed a waiver of it's

rights to exercise such function or right in the future. The failure of management to use any rights identified in this article shall not remove such rights from management.

If it is determined by the Mayor or Director of Public Service that civil emergency conditions exist, such as disasters or other catastrophes, the non-economic provisions of this Agreement may be suspended by the Mayor or the Director, during the time of the declared emergency. The provisions of this Agreement will not be suspended unless the Business Agent or his office is first advised.

ARTICLE 4 NON-DISCRIMINATION

The Union and the City agree that no employee shall be illegally discriminated against because of union membership, or union activity, use of the grievance procedure, sex, marital status, race, religion, creed, national origin, or political affiliation. Claims of discrimination should be appealed as provided under Law or in accordance with the City's administrative Equal Employment Opportunity policy.

The term "employee" in this agreement, or use of the male gender, shall be construed as including the female.

The Union and management shall not coerce, intimidate, or in any other manner, discriminate against any employee who exercises his/her right to join or continue membership in the Union. No employee shall be denied promotion or any other benefit, because of his/her membership or lack of membership in the Union.

ARTICLE 5
UNION STEWARDS - UNION REPRESENTATION

Section 1. The City recognizes and agrees to deal with all accredited Union Stewards, business agents, and assistant business agents of Local Union 369D, as well as the president and/or International Representative of the I.U.O.E., as set forth in the grievance procedure.

Section 2. The City agrees that non-employee officers and/or representatives of the Union shall have reasonable access to the premises of the City during work hours for the purpose of assisting in the adjustment of grievances and conducting other union business provided such visitations shall be for the reasons of administration of this Agreement. Only representatives of the Union previously furnished to the department in writing by the Union shall be permitted to come on the premises of the department for the purpose of investigating and discussing grievances provided prior notification has been given to the Director or his designee and, provided a Union representative does not interfere with the work of the employees. Any Union meeting with all assigned personnel to that area, which is called by the Union Representative or Business Manager, may be held on City property during working hours upon approval of the Division Director or his designee.

Section 3. A written list of Union officers and stewards shall be furnished to the Manager of the Labor Relations Office in care of the City Human Resources Division within ten (10) days after their designation.

The list shall identify the employee, position held, and term of office. The Union shall notify the City Director of Human Resources, Division Director and Department

Manager within five (5) days of any change in status of Union officers and/or Stewards.

Section 4. The appropriate Union Steward shall be granted reasonable time off during working hours to investigate potential grievances, or to settle complaints which have not become formal grievances, upon requesting and securing approval of the Department Manager or Supervisor. Such approval shall not be unreasonably withheld. The appropriate Union Steward may investigate grievances, or settle complaints at their assigned work location.

Section 5. Realizing that all matters of controversy between the City and the Union shall be resolved through the grievance procedure set forth herein, management, union representative, stewards, and officers pledge themselves to the highest standard of professional conduct and agree that abusive conduct (verbal or physical), intimidation, coercion or any other form of misconduct shall not be tolerated at any time.

ARTICLE 6 GRIEVANCE AND ARBITRATION PROCEDURE

Any grievance, defined as an alleged violation of any express provision of the Memorandum of Understanding, shall be handled in a simple and direct manner as follows:

It is further agreed by the Union that employees covered by this Agreement shall make an exclusive election of remedy prior to filing a second step grievance or initiating action for redress in any other forum. Such choice remedy will be made in writing on the form to be supplied by the City.

Step 1. The aggrieved employee and the Union Steward shall discuss the grievance with the immediate supervisor within fifteen (15) working days of the date of the alleged grievance or the employee's knowledge of its occurrence. The immediate supervisor shall attempt to adjust the dispute and shall respond to the aggrieved employee within fifteen (15) working days.

Step 2. If not resolved in Step 1, the grievance shall be reduced to writing, indicating the specific article allegedly violated and a brief description of the grievance, within fifteen (15) days of the grievance or the employee's knowledge of its occurrence or within fifteen (15) working days of the immediate supervisor's response, whichever is longer. The unit manager shall, upon receipt of the written grievance from the Union, discuss the matter with the aggrieved employee and the Union Steward. The unit manager will respond within fifteen (15) working days.

Step 3. The Union shall notify, in writing, the Division Director within fifteen (15) working days, its acceptance or rejection of the answer at Step 2. If appealed, the Division Director, or his designee, will conduct a thorough discussion with the appropriate management personnel, the aggrieved employee, the Steward, and the business agent or designee within fifteen (15) working days. This time may be extended by mutual agreement. The Division Director or his designee shall then give his answer within fifteen (15) working days following the date of the hearing.

The failure of the appropriate Union Representative to respond as required in any of the steps within the time provided shall be considered an acceptance of the answer. If the City does not answer the grievance within the time specified, the grievance shall

be automatically processed to the next step.

Step 4. The Union shall review the answer of the Division Director and indicate in writing, its acceptance or rejection or request for arbitration if desired, within twenty (20) working days after the rendering of the Division Director's written decision unless, extended by mutual agreement. The decision of the Division Director shall be mailed by certified mail to the Union office, return receipt requested. The Union, in submitting its request for arbitration, shall send said request by certified mail to the Mayor, with a copy to the Labor Relations Manager by regular mail. Failure by the Union to request further action within the time allotted, or extended shall be considered acceptance of the decision, and the answer of the Division Director shall be considered satisfactory. It is understood that the proper Union Representative may be involved at both Steps three and four. The Union shall have the right to take up suspensions and/or discharge within fifteen (15) working days at Step 3 of the grievance procedure and the matter will be handled in accordance with the procedure through the Arbitration step if deemed necessary.

ARBITRATION PROCEDURE

The arbitrator shall have access to all written statements and documents pertaining to the appeals in the grievance, but the arbitrator shall have no power to amend, revise, add to, nor subtract from, nor modify any terms of this Memorandum of Understanding, and any other Memorandum made supplementary thereto.

The arbitrator shall be jointly selected by the Union and the City.

If, within five (5) days after the request for arbitration is made, the Union and City

fail to agree upon the appointment of an arbitrator, a request will be made to the American Arbitration Association or Federal Mediation and Conciliation Service for a list of a minimum of five arbitrators or if they still cannot agree, the following procedures shall be followed as stated below:

The party presenting the grievance shall be given the first opportunity to strike the name of one of the arbitrators contained on said list. The other party may then proceed to strike a name and this procedure shall continue until one arbitrator's name remains. The arbitrator whose name remains shall be designated as the arbitrator. In the event the arbitrator designated declines to act, the procedure of striking names will be reinstated until an arbitrator willing to act has been selected.

The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the applicable laws or rules and regulations having the force and effect of law. The fee and expenses of the arbitrator and the cost of a written transcript for the arbitrator shall be divided equally between the Division and the Union, provided, however, that each party shall be responsible for compensating its own representatives and witnesses, and purchasing its own copy of the written transcript. There shall be final and binding arbitration on suspension and discharge of any employee with the arbitrator chosen as above. The arbitrator shall have the power to rule on such disputes involving suspension or discharge under this Agreement provided that he shall have no power to add to, subtract from, nor modify any terms of this Agreement, or any other agreements made supplementary hereto. All other decisions shall be reported to the Mayor or his designated appointee of the City of

Memphis and to the Union and shall be a matter of public record, and shall be advisory to the Mayor or his designated appointee who is hereby designated by the Mayor to render a final binding decision.

It is agreed that the City shall make available any employee to testify at the request of the Union when such persons have information involving the action being arbitrated. This request shall be made in writing to the Mayor or his designated appointee at least seventy-two (72) hours prior to the hearing.

ARTICLE 7 DEPARTMENTAL DISCIPLINARY PROCEDURES

Section 1. The City and the Union agree that the intent of this Article is to provide for correcting deficient work behavior in a manner that is fair and equitable to both parties. This Article recognizes the fundamental rights of management to instruct, correct, counsel, admonish, and if necessary, officially discipline an employee. The City will not discipline or discharge any full time regular employee without just cause.

The City and the Union agree with the principles of progressive and corrective discipline where appropriate.

Section 2. Disciplinary action shall include only the following* and shall begin at Step A, except for major infractions in which case progressive steps may or may not be followed. Tardiness, absenteeism, and sick leave abuse shall be considered a similar offense, for the purpose of progressive discipline.

* A. Oral Reprimand

* B. Written Reprimand

* C. Suspension

* D. Discharge

If the conduct or job performance of an employee is questioned to a degree that it will become a disciplinary matter of permanent record in the employee's personnel file, a Union Steward must be present if requested by the employee or the City. Notice to the employee will be in writing and shall set forth the reason for the disciplinary action. The City agrees that disciplinary action shall in all instances be given within ten (10) working days of employer's knowledge of infraction.

Notice to the employee and the Union will satisfy technical complaints. No material placed in the employee's personnel folder including any evaluation of the employee, shall be used to discipline the employee unless a true copy is first given to the employee.

Section 3. Oral and written reprimands may be processed through the regular grievance and arbitration procedure as set forth in Article 6 of this Memorandum. Matters of suspension and discharge may be reviewed by the appropriate Director or his designee to insure that the action taken is appropriate. Once the measure of discipline is determined, and imposed the City will not increase it for the particular action of misconduct unless new facts or circumstances become known. Matters of suspension and discharge may be initiated in Step 3 of the grievance procedure. Any grievance decision which directs compensation for time off shall be made less temporary earnings during said period. In any case involving discharge the employee may contest the discharge and may elect to use the grievance procedure.

It is understood that any employee who does not receive any disciplinary action for a period of six (6) months, shall have his or her record cleared for the purpose of progressive discipline and will be removed from the employee's file.

ARTICLE 8 UNIFORMS

The City agrees to provide an allowance for the purchase of uniforms to employees covered by this Agreement. The uniform allowance will be \$450.00 during the year of this Agreement. The uniform voucher, until exhausted, will be available throughout the fiscal year.

Employees receiving said uniform allowance will be in the required uniform at all times during working hours. Employees who report for duty without proper uniform shall not be considered as reporting ready for work. The City agrees to replace any uniforms, which are torn or destroyed while on the job. Damages to uniform must be reported in writing to the Shift Supervisor, within the same shift the incident occurred.

ARTICLE 9 HOLIDAYS

Holidays, as governed by Article 1, Section 2-2, of the Memphis City Code, shall apply to members of this bargaining unit.

In addition, the person entitled as designated by law will receive an amount equivalent to the employee's regular wages for one (1) month after all legally required deductions.

ARTICLE 16 SENIORITY

Section 1. Seniority shall be determined on the basis of actual length of continuous service from the latest date of regular employment with the City for the purpose of vacation preference and lay off. In no instance shall this article be applied in a manner inconsistent with the City policy. Seniority for the purpose of shift preference shall be determined on this basis of the length of service within the employee's job classification.

All new employees shall be considered probationary for 6 months from the last date of hire. During such probationary period, employees may be discharged without constituting a breach of this Memorandum. Temporary transfers shall be for a period of no longer than thirty (30) working days. Any position that requires more than thirty (30) working days of temporary transfer shall be considered an open position and be posted. If the transfer or assignment is to a higher paid classification, the senior qualified available employee must be given first choice for the position. If such temporary vacancy continues for two days or more, it will be filled by the highest qualified employee as determined by management.

Section 4. The City and the Union agree with the principles of training for the purpose of career development, advancement opportunities and technical development of special skills. The opportunity for such development shall be available to all employees covered by this Agreement and shall not be restricted to those duties routinely performed within the employee's current job classification.
