

A Resolution Accepting \$350,000,000 State Grant for Sports Facilities Improvements.

WHEREAS, in early 2023 the City Administration presented to Tennessee State Government a proposal for the planned improvements to various sports facilities throughout Memphis; and

WHEREAS, such improvements are intended to create a world-class sports tourism destination and to add further value to the Memphis economy and the quality of life in our community; and

WHEREAS, the State portion of the funding is integral and vital the successful implementation of planned improvements; and

WHEREAS, such proposal was favorably received by the State and funding in the requested amount was included in the State of Tennessee 2023 funding budget; and

WHEREAS, State Grant funding in the amount of \$350,000,000 has been received by the City of Memphis for the purposes of planned improvements at various sports facilities throughout Memphis; and

WHEREAS, it is necessary for Council approval to accept the State Grant;

NOW, THEREFORE BE IT RESOLVED by the Council of the City of Memphis that State Grant funding in the amount of \$350,000,000 is approved for the purposes of improvements to various sports facilities; and

BE IT FURTHER RESOLVED that the State Grant funding is to be held in a separate interest bearing and investable account in order to provide maximum opportunity for return on investment for further use of funding for the intended purposes.
