RESIDENTIAL FIRE 923 Mount Pisgah Road

MEMPHIS, TN - The Memphis Fire Department responded to an alarm of fire at 923 Mount Pisgah Road, Tuesday, March 16, 2021 at 12:02 a.m. Upon arrival on the scene, firefighters reported fire visible from the one-story wood frame residential structure. Rescue and Firefighting operations began immediately.

Fifteen (15) pieces of Fire/Rescue/EMS equipment and approximately thirty-two (32) emergency response personnel ultimately responded to the call. Division Chief P. Dix was the commanding officer of this incident. The fire was brought under control at 12:17 a.m. *An adult female was transported in non-critical condition to Regional One Burn Unit with 2nd degree burns to her right arm.* There were no firefighter injuries.

It has been determined that the residence **did not have** a working smoke alarm. The structure sustained smoke, fire and water damage. Total damage is estimated at \$9,400.00 structure and \$4,000 contents. The origin and cause of the fire was determined to be accidental as a result of a warming fire left unattended in the kitchen. Red Cross assistance was not requested.

The Memphis Fire Department urges all citizens to maintain a working smoke alarm in their place of residence. Check smoke alarms once a month and change the battery when you change your clocks. City of Memphis residents may apply for a **free smoke alarm** on-line at: <https://www.memphistn.gov/government/fire-department/free-smoke-alarm-application/> or call the Fire Museum of Memphis at (901) 636-5650. Always have a plan of escape in case there is a fire. Also remember that 9-1-1 is for emergencies only. For all other **FIRE/EMS NON-EMERGENCY** issues please dial (901) 458-8281.
