RESIDENTIAL FIRE 1053 Fleece Street #1

MEMPHIS, TN - The Memphis **Fire** Department responded to a house fire at 1053 Fleece Street, Tuesday, June 15, 2021 at 7:52 a.m. Upon arrival on the scene, firefighters reported smoke visible from the one-story wood frame residential duplex. Rescue and Firefighting operations began immediately.

Fourteen (14) pieces of **Fire/Rescue/EMS** equipment and approximately thirty-three (33) emergency response personnel ultimately responded to the call. Battalion Chief E. Rone was the commanding officer of this incident. The fire was brought under control at 8:09 a.m. There were no firefighter or civilian injuries.

It has been determined that the residence **did have** a working smoke alarm. The structure sustained smoke, fire and water damage. Total damage is estimated at \$5,000.00 structure and \$1,000.00 contents. The origin and cause of the fire was determined to be electrical; a tree limb struck a power line in the rear of the home and it ultimately ignited a fire in the basement. Red Cross assistance was not requested.

The Memphis **Fire** Department urges all citizens to maintain a working smoke alarm in their place of residence. Check smoke alarms once a month and change the battery when you change your clocks. City of Memphis residents may apply for a **free smoke alarm** online at: <https://www.memphistn.gov/government/fire-department/free-smoke-alarm-application/> or call the Fire Museum of Memphis at (901) 636-5650. Always have a plan of escape in case there is a fire. Also remember that 9-1-1 is for emergencies only. For all other **FIRE/EMS NON-EMERGENCY** issues please dial (901) 458-8281.
